TOOL FOR DELIVERY: Microsoft Teams

MEETING LINK: https://teams.microsoft.com/l/meetup-join/19%3ameeting_YzJIYWQyMTAtODc2MC00NjJmLWJmZmUtODIyYmI2MDIxNTZj%40thread.v2/0?context=%7b%22Tid%22%3a%22b1703185-2d99-40e5-86e1-3a22312faf76%22%2c%22Oid%22%3a%22274a250a-094e-4442-9176-94c97addec11%22%7d

NUMBER OF PARTICIPANTS: 92

TOPIC: Career Counselling Session on “How can you reduce Tax Liability in Post Covid 19 Scenario”

SPEAKER OF THE SESSION: Dr. Amit Majumder, Associate Professor of Commerce & PG Coordinator, Bijoy Krishna Girls' College, Howrah

INTRODUCTION ABOUT THE SPEAKER:

The speaker for the session was Dr. Amit Majumder. He is an M.Com., MPhil. (1st Class 1st), Ph.D. (Commerce), all from University of Calcutta, MBA (Finance) from Indira Gandhi National Open University, and Ph.D. (Commerce and Management) from Netaji Subhash Open University. He is presently working as an Associate Professor of Commerce & PG Coordinator, Bijoy Krishna Girls' College, Howrah and also a Visiting Professor, Dept of Commerce, University of Calcutta since almost 2 decades.

OBJECTIVE OF THE SESSION:

The primary objective of this session was to acquaint the students of the School of Business and Economics with the practical aspects of personal income tax planning and e-filing.

LEARNING OUTCOMES:

The Speaker focuses on Personal Income Tax Reforms that had taken place after the Union Budget, where more tax slabs were introduced with lower tax rates. Further, it was mentioned in the discussion that an assessee, not having any income from business and profession can switch over from New Tax Regime to Old Tax Regime and vice-versa every year. But, this option of switch over has been blocked for business income tax payers; such a tax payer who once opts out from New Tax Regime, cannot return to the New Tax Regime again in future. That is, this switching back option is available to an individual having business income only once in his lifetime (so long as business income is there). The list of the over 70 deductions like Section 80 have been removed from the New Tax Regime. To decide how can a tax payer get tax benefits when he/ she needs to opt for Old Tax Regime or New Tax Regime, has been illustrated in several case studies.

The session was informative and inspiring overall. It was so nicely illustrated and explained in lucid language that even a layman can easily understand. All the participants gave satisfactory feedback and they would like to have such webinars more in the future.

Career Counselling Session – Career options in Indian Banking Sector in Post COVID 19 Scenario

Organized By
School of Business and Economics
Adam's University

DATE: 20.09.2021, Time: 3 P.M.- 4:30 P.M.

TOOL FOR DELIVERY: Microsoft Teams

MEETING LINK: https://teams.microsoft.com/l/meetup-join/19%3ameeting_NGY1NGViZjUtMDdmMy00OTJlWFhNjAtZDEwYjczNzAyN2Vh%40thread.v2/0?context=%7b%22Tid%22%3a%22b1703185-2d99-40e5-86e1-3a22312faf76%22%2c%22Oid%22%3a%22274a250a-094e-4442-9176-94c97addec11%22%7d

NUMBER OF PARTICIPANTS: 61

TOPIC: Career Counselling Session on “Career options in Indian Banking Sector in Post COVID 19 Scenario”

SPEAKER OF THE SESSION: Mrs. Dotta Dev Mukherjee, Assistant Vice President, Axis Bank.

OBJECTIVE OF THE SESSION:

The primary objective of this session was to provide some ideas and suggestions to students of the School of Business and Economics about possible career options in Banking Sector postCOVID.

LEARNING OUTCOMES:

Mrs. Dotta Dev discussed at length short- & long-term implications on both profitability issues as well as asset-liability issues faced by the banks. She threw light on how banks are identifying sectors and clients that are most at risk and re-evaluating the loan loss provisions under different economic scenarios.

The speaker ended the session with the insight into the new normal situation characterized by giving shape to the lessons learned from COVID-19 regarding how to best retain operational

resilience when confronted with future pandemics, how to redesign new operating models such as alternative work arrangements, innovative ways to interact with customers in a remote set-up and how to equip the branches with better connectivity.

Finally, the speaker gave some suggestions to the students as to banking career post-pandemic. The session was very engaging and captivating for the students. Positive feedback was received from all the participants.

NUMBER OF PARTICIPANTS:74

TOPIC: Career Counselling Session – Presentation of Data Using Excel Dashboard

SPEAKER OF THE SESSION: Dr. Anirban Mandal, HOD, Department of Management, and Director – Research, Brainware University

INTRODUCTION:

The resource person of the Webinar was Dr. Anirban Mandal, HOD, Department of Management, and Director – Research, Brainware University. Prof. (Dr.) Naveen Das inaugurated the session with his enlightening talk.

OBJECTIVE OF THE SESSION:

The webinar was planned to deliver students an insight into how to use Excel Dashboard to present data.

LEARNING OUTCOMES:

Dr. Mandal explained the importance of Excel Services as it is a server technology included in SharePoint 2010 and SharePoint 2007. This shared service enables users to load, calculate, and display Excel 2010 workbooks on Microsoft Office SharePoint Server 2010. Using Excel Services, users can reuse and share Excel workbooks on Microsoft Office SharePoint Server 2010 portals and dashboards. For example, one can create content in Excel 2010 and share it by using an Office SharePoint Server 2007 portal and dashboard. The entire workbook or just parts of it (such as just a single sheet, chart or table) can be shared.

He explained that end-users can view live, interactive workbooks using only a web browser. One can also interact with workbooks to explore data, and analyze Pivot Table reports and charts by using a browser. Excel Services supports workbooks that are connected to external data sources. Users can embed connection strings to external data sources in the workbook or save them centrally in a data connection library file. Selected cells in worksheets can be made editable by making them named ranges or "parameters". Items which are set as "viewable", when they save to Excel Services, will appear in the Parameters pane in the browser. Users can change the values of these named ranges in the parameters pane and refresh the workbook. They can also use the portal's filter Web Part to filter several Web Parts (Excel Web Access and other types of web parts) together.

Excel has many powerful tools to help analysts to present and analyse data. Using the Pivot table how data can be summarized and how data can be presented, were also shown on a hands-on basis. Practice material was shared among participants so that they can practice the process. A feedback form was circulated among the participants to rate their experience. The session was informative and inspiring overall. It was so nicely illustrated and explained in lucid language that even a layman can easily understand. In the end, Dr. Sanghamitra Brahma, Associate Professor and Head, Department of Management, offered a Vote of Thanks to the keynote speaker.

NUMBER OF PARTICIPANTS: 30

TOPIC: Career Counselling Session - Webinar on “Entrepreneurship and Family Business”

SPEAKER OF THE SESSION: Mr. Sumeet Kabra, Director at Ram Ratna Group

OBJECTIVE OF THE SESSION:

The primary objective of this session was to give the students of the School of Business and Economics the insights of entrepreneurship and family business.

LEARNING OUTCOMES:

The Webinar on “Entrepreneurship and Family Business” was moderated by Prof. Amitabha Ghose, with the introduction of the speaker Mr. Sumeet Kabra, Director at Ram Ratna Group (India's among top 5 Electrical Consumer Durable Brand) and welcoming the participants. He was awarded as an “Emerging Business Leader” at WCRC, London in 2014. He has also been

awarded with the Young Leader award by SPJIMR “SPANDAN” an Alumni Awards 2018. He has spoken on Business and Entrepreneurship at different prestigious forums, and was recently featured on the cover of Marwar magazine. Since the foundation of the brand, its architects opted that innovation is the key to success of every product in the brand. It was a really courageous decision because at that point of time categories like wires and cables were highly commoditized. This optimistic development led to the creation of a brand - RR Kabel, a name which is admired worldwide with existence over 80 countries and 7 continents across the globe. Mr. Kabra highlighted that RR Global takes honour in establishing 9 companies and global offices, primarily in the U.A.E and Bangladesh. In their endeavour to set international benchmarks, RR Kabel has received 19 international accreditations. They are the first in India to have BASEC (U.K.), UL (U.S.A.), VDE (Germany), among others for its wide range of cables including ISO 50001 and ISO 14001. He also briefly discussed with all these group companies products. A special mention was made about RR Parkon which is the first among the group company to build an Automated Multilevel car parking system, a revolutionary parking concept solves parking problems by maximizing parking capacity in minimum space.

The speaker answered some queries from the participants and the session ended with a vote of thanks.

Organized By

School of Business and Economics

Adam's University

DATE: 18.11.2021, Time: 4 P.M.- 5:30 P.M.

TOOL FOR DELIVERY: Zoom Cloud

MEETING LINK: <https://zoom.us/j/95994447101?pwd=U3BEbGVWbnFjbWRpN3VKSHk2dmJOdz09>

NUMBER OF PARTICIPANTS: 75

TOPIC: Career Counselling Session on “Multivariate Quantitative Techniques in Management”

SPEAKER OF THE SESSION: Mr. Souvik Dutta, Chief Manager, Customer Intelligence & Analytics- Spencer's Retail Limited, Kolkata

OBJECTIVE OF THE SESSION:

The primary objective of this session was to acquaint the students of the School of Business and Economics with statistical tools like SPSS, STATA, etc. which will be helpful in the analysis of data.

LEARNING OUTCOMES:

The resource person for the session was Mr. Souvik Dutta, Chief Manager, Customer Intelligence & Analytics- Spencer's Retail Limited, Kolkata.

The objective of the workshop was to get a real field exposure through the different case studies and their application by using different tools like SPSS, STATA. Few major areas were covered like business forecasting, panel data analysis, regression models; factor analysis Logistic regression and cluster analysis etc which are mostly applied by the large corporate house. Participants were explained how these techniques are used by the organization for their business decision making and as a managers what types techniques may be used in different situations. The speaker covered some of the important techniques with some real case studies of Retail industries, health care industries and Pharma Industries and FMCG industries. The students attended this program and also solved few problems and learnt how to overcome the problem in real situation.

Feedback was collected from the students. It turned out to be an interesting session and engaging as well for the students. All the students had given good feedback and requested for more such workshops.

NUMBER OF PARTICIPANTS: 41

TOPIC: Career Counselling Session on “Application of Data Analytics in Today’s Business”

SPEAKER OF THE SESSION: Prof. (Dr.) Someshwar Kesh, Coordinator Computer Information Systems and Analytics (CIS and Big Data and Business Analytics), Professor, Computer Information Systems and Analytics.

OBJECTIVE OF THE SESSION:

The primary objective of this session was to acquaint the students of the School of Business and Economics with the basics of business analytics.

LEARNING OUTCOMES:

Prof. (Dr.) Someshwar Kesh discussed the reasons for Big Data and Analytics assuming such great importance now, although few of the tools were available long back. He pointed out that with the growing applications of Big Data in business, a huge shortage of qualified professionals is forecasted in the years ahead. Academic institutions should urgently focus on designing programs geared towards creating human resources in this area. He described various categories of tools currently available for Big Data analysis and gave a brief idea about their applications. He explained different tools such as Artificial Intelligence, Machine Learning, Deep Learning, etc. Participants were given hands-on training by providing them

with reading materials before the session and solving the problems during the sessions. Doubts of the participants were cleared and positive feedback was received from the participants.

Career Development and Counselling Session

Date: March 2, 2022

Venue: School of Education, Adamas University

Number of participants: 75

Meeting Link: <https://zoom.us/j/96771311524?pwd=SC9Za3ZoQ2hTY0hSM1Nybk44dGVlZz09>

Speaker: Dr. Shauli Mukherjee, Director, School of Education

Career development sessions provide clarity and guidance to help the students reach career goals—when handled correctly. A good career development session can cut through the noise to help students focus on where they're at and reduce unnecessary stress. Discussing how they feel about their career and future plans can clarify matters and unload some negative emotions which can get in the way of positive thought and action. School of Education organized a career development session on the topic of 'preparation for interview' on 2nd March, 2022 at School of Education, Adamas University. Few faculty members of School of Education monitored the session. The session was enriched by the presence of Dr. Shauli Mukherjee, Dean, School of Education. The session was extremely useful for all the students. They learned how to be presentable at interview through mock interviews. The session helped them to gain self-confidence and communication skills.

Career Development and Counselling Session on Effective Communication

Date: February 25, 2022

Venue: School of Education, Adamas University

Topic of the Session: Effective Communication

Speaker of the Session: Mr. Sandeep Dey, Soft-skill Trainer, Center of Life Long Learning, Adamas University

Number of participants: 75

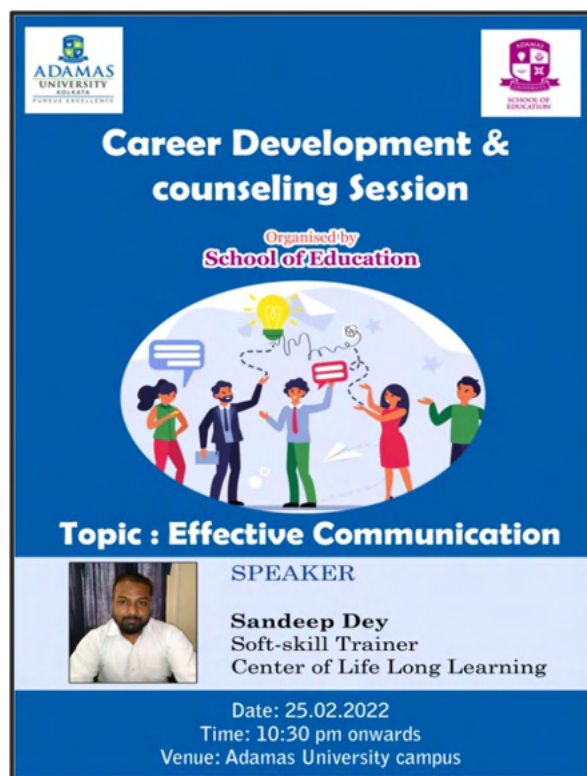

INTRODUCTION OF THE SESSION

Career development sessions provide clarity and guidance to help the students reach career goals—when handled correctly. A good career development session can cut through the noise to help students focus on where they're at and reduce unnecessary stress. Discussing how they feel about their career and future plans can clarify matters and unload some negative emotions which can get in the way of positive thought and action. School of Education organized a career development session on the topic of 'Effective Communication' on 25th February, 2022 at School of Education, Adamas University. Few faculty members of School of Education conducted the session. The session was enriched by the presence of Dr. Shauli Mukherjee, Director, School of Education. The key speaker of the session was Sandeep Dey. He works as a soft skill trainer at Center of Life Long Learning.

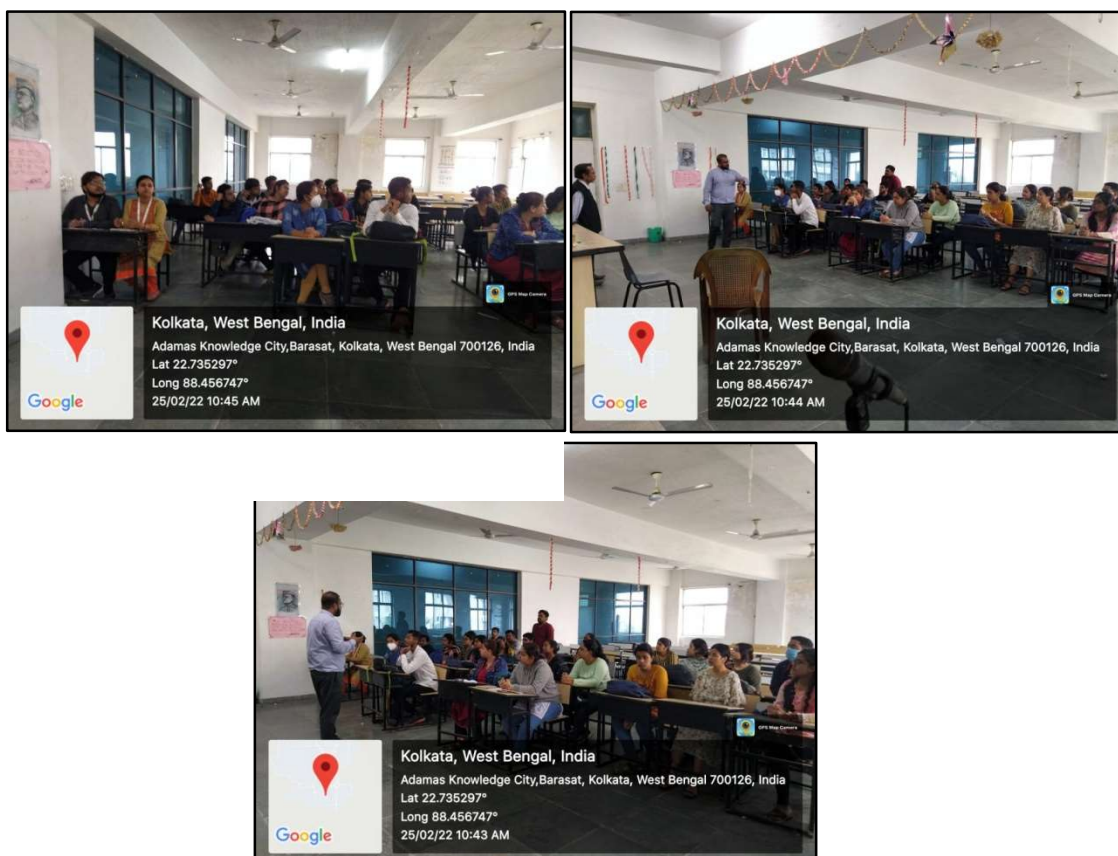

SUMMARY OF THE SESSION:

Mr. Dey gave a speech to the students about effective communication skill, gestures, postures, body Language, Dressing Tips, Interview Facing Skills and How to handle Situational-based questions. The session was extremely useful for all the students. They learned how to speak fluently in simple lucid English, how to dress properly, how to concretely frame the answers concisely that were been asked on interviews in general and lastly about body languages and postures and its positive impacts.

REPORT ON CAREER COUNSELING SESSION - SILVER LINING

Organized by: Department of Language and Literature, School of Liberal Arts and Culture Studies

Date & Time: 29 March, 2022 (12:10 PM to 1PM)

Mode of Delivery: Offline Interaction

Venue: SOLACS Room no. 212

No. Of Participants: 18

Batch: Final year students of B.A. (Hons) English Language and Literature program

Type of Program: Career Counselling

SUMMARY OF THE COUNSELLING SESSION

Covid 19 has intervened our lifestyle. In this watershed period both academic and industry has been the worst sufferer. The usual interface of academic and industry is undergoing a facelift. Academic counseling for the students launching in their career in this transition phase of Post pandemic time is the need of the hour. Hence, the Department of Language and Literature has taken the initiative to orient the final year UG Students of English Language and Literature with the new job scenario.

Dr. Punyajit Gupta, Assistant Professor of Department of Language and Literature, School of Liberal Arts and Culture Studies has conducted the counseling session. Dr. Punyajit has briefed the present development to the participants. He has started the session with SWOT analysis and goal setting. He encouraged students to think laterally about their career prospects. The participants engage along with the counselor to explore job options on the basis of their subject skills. The feedback of the session is given for the convenience. The session concluded at 1.00 PM

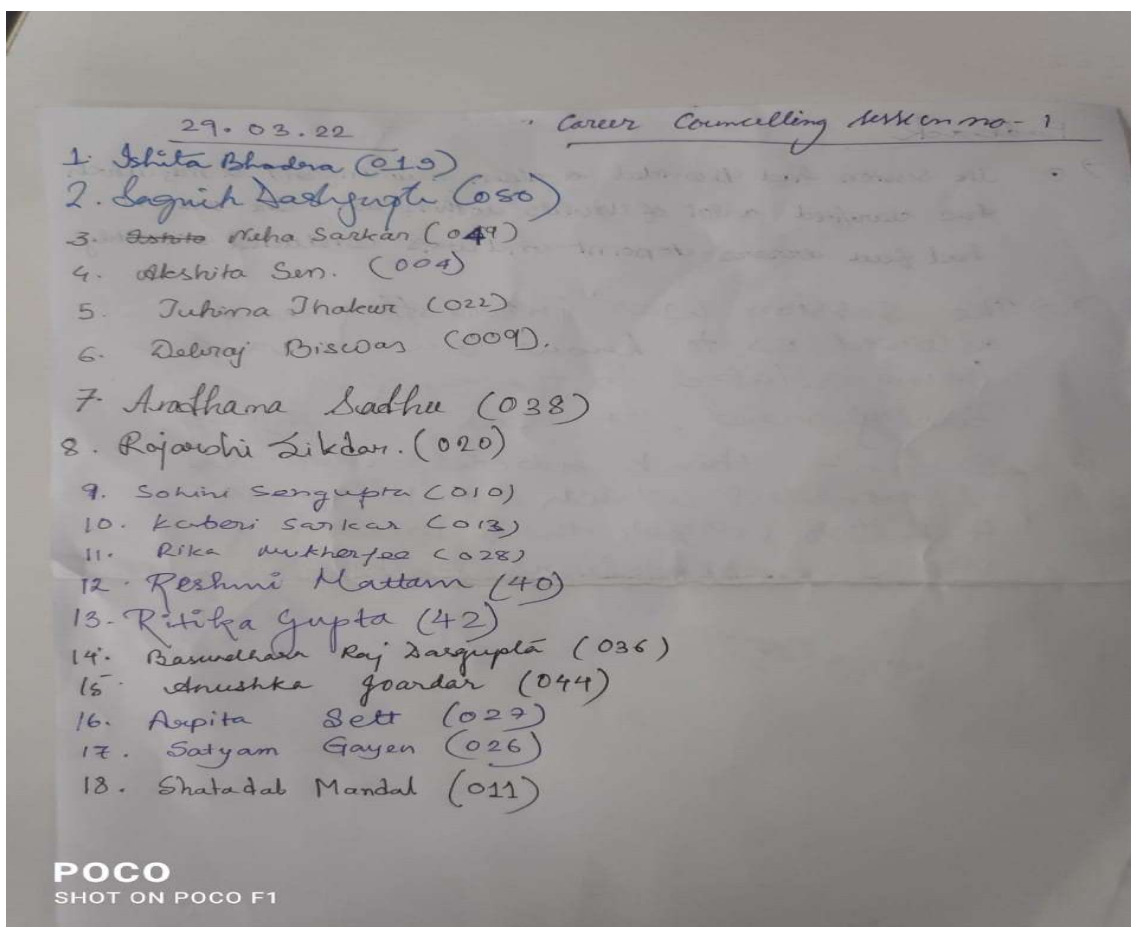

OUTCOME OF THE SESSION:

- It boosted up the confidence of the students as they could see a win-win situation for them.
- The session explored new avenues of earning by utilizing English language and literature for example content writing, script writing, career counselor, scopes in academics, media, cinema tourism industry to name a few.

Type of Program: Career Counselling

SUMMARY OF THE COUNSELLING SESSION:

In order to help the final year undergraduate students to gain an understanding of oneself and their various interests to make a firm decision about the career choices and further education plans in the field of psychology, a career counselling session was conducted by Dr. Sweta Sah, who is a Consultant and Rehabilitation Psychologist and also an Assistant Professor in the Department of Behavioural Science, Adamas University.

At 11:30 AM, the counsellor started interacting with the final year undergraduate students. The session was regarding the discussion about the various prospects of career in the field of psychology. The participants clarified their queries and asked questions to the counselor. The participants had an enriching session where they benefitted with the knowledge about the different scopes in the field of behavioral science. The session concluded at 12.30 pm.

OUTCOME OF THE SESSION:

- The career counselling session was conducted to give the students an insight about the various career options in the field of psychology.
- Through this interactive session the students were able to introspect whether to go for higher studies or seek for job opportunities.

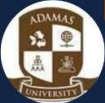

LIST OF THE PARTICIPANTS:

Priyanka Biswas	Saradiya Paul
Pallobi Biswas	Gourav Dey Sarkar
Shruti Khanal	Debleena Mondal
Tinem Kri	Shruti Khanal
Shubham Sen	Sourav Lal Das
Dibyashree Bandyopadhyay	Mosihur Rahaman Laskar
Navonil Talukdar	Trisha Barui
Dhritiman Dey	Mouma Chatterjee
Shalini Saha	Lavanya Jain
Sairandhri Mitra	Sushmita Ghosh
Sneha Kunkri	Sonali Dey
Limatula Imchen	Ananya Banerjee

REPORT OF CAREER COUNSELING SESSION ON EMPOWERMENT, AGENCY AND CONSTRAINTS: THE PROLIFERATION OF THE ‘CULTURE OF ADJUSTMENT’

Organized by: Department of Social Sciences, Cluster of Sociology

Date & Time: 27th August 2021; 1.05 PM to 2.30PM

Mode of Delivery: Online Interaction via MS Teams

Link: https://teams.microsoft.com/l/meetup-join/19%3ameeting_MjA0MTU4NTctMWUzNC00YTUzLTkyMWItYzIxZjQ4Y2IxMzk3%40thread.v2/0?context=%7b%22Tid%22%3a%22b1703185-2d99-40e5-86e1-3a22312faf76%22%2c%22Oid%22%3a%22e3c37222-e300-41f5-b44c-f19bf9667314%22%7d

No. Of Participants: 22

Batch: All students of the Department of Sociology

Type of Program: Career Counseling

Speaker: Ms. Sreyashi Ghosh, Department of Higher Education, Government of West Bengal and posted at Jhargram Raj College Girls' Wing.

SUMMARY OF THE SESSION:

A career counselling session was conducted by the cluster of Sociology, Department of Social Sciences, for all the students of Sociology. The speaker of the session was Ms. Sreyashi Ghosh, who focused on various career opportunities Sociology and make the students understand about Empowerment and agency have always been used synonymously, but the recent discourses have made it clear that these two terms have very different connotations and the presence of one does not guarantee the simultaneous existence of another. She talked about culture of adjustment which is a culture in the traditional anthropological sense in that it provides human beings with a design for living, with a readymade set of solutions for human problems, and so serves a significant adaptive function and how one can adjust with a new career.

GLIMPSE OF THE SESSION:

Figure 1: Screenshot of the students attending the online session

FLYER OF THE SESSION:

CONCLUSION:

- Concise and riveting presentation of the topic
- Special emphasis on the mechanism and emotional diverse related to language and translation
- Excellent explanation of the co-relation between Culture and society
- The session was enriched with conceptual clarification about culture of adjustment

LIST OF PARTICIPANTS:

- | | | |
|-----------------------|-------------------------|-----------------------|
| 1. Ramisha Fariha | 9. Ankita Dey | 17. Lalhriatpuii Hmar |
| 2. Smriti Dhar | 10. Lee Jerang | 18. Ankita Biswas |
| 3. Sukanti Sahoo | 11. Meghna Roy | 19. L Mongnyan Thai |
| 4. Shubham Dutta | 12. Tanisha Banerjee | 20. Phobe Jamir |
| 5. Debkanya Dey | 13. Sharanika Mondol | 21. Sanjukta Sarkar |
| 6. Ananya Ghosh | 14. Debashruti Chaudhur | 22. Sohini Ghosh |
| 7. Poushali Pal | 15. Sudeshna Ghorui | |
| 8. Saptarshi Majumder | 16. Anurika Das | |

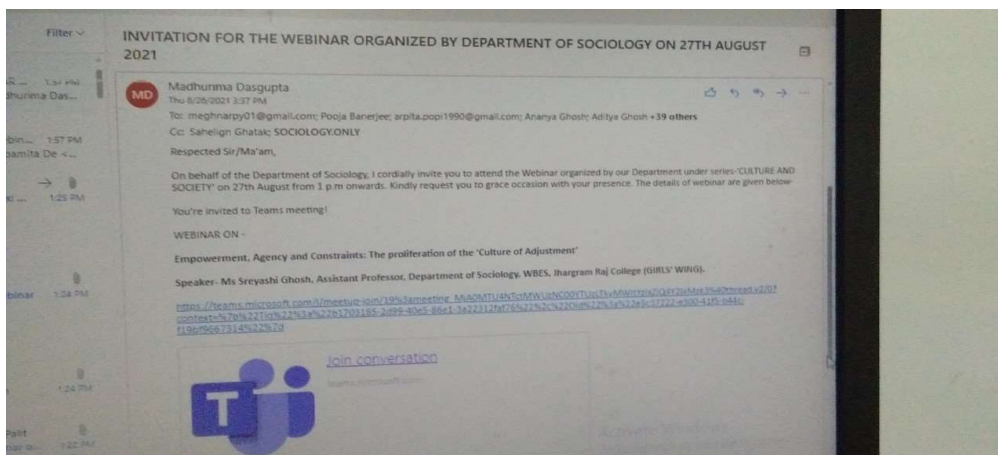

FEEDBACK:

General Feedback: The session was typically interactive and application based.

Useful aspects of the workshop:

- Various Career opportunities of Sociology
- General idea of culture of adjustment
- Idea of empowerment and culture
- The concept of culture in society

REPORT ON: “*Academia to Industry - A Journey in Data Science and AI*”

UNDER THE THEME: MATHEMATICS, STATISTICS & DATA SCIENCE - CAREER OPPORTUNITIES IN 21ST CENTURY

DATE OF THE EVENT: 4th September, 2021

TIME OF THE EVENT: 11:00 am – 12:30 pm

VENUE OF THE EVENT: Zoom Conference platform

LINK: <https://zoom.us/j/99242746320?pwd=Zk9Sbk5ITVppR2ZOVk84ZmYyVVM4UT09>

SPEAKER OF THE EVENT: Mr. Anindya Ghosh, Associate Partner, Data Platforms, Data Science and AI, IBM Global Business Services, Bangalore, India

TOTAL NUMBER OF PARTICIPANTS: 61

OBJECTIVE OF THE EVENT:

With increasing volume of data, the data science becomes highly demanding in the presentday scenario and offering most of the highest paying jobs in the global market. As a consequence, the students are getting inclined to pursue data science programs. Beyond the curriculum, the data science students are mostly curious on two things: (i) how data science is applied in industry, and (ii) how to build a successful career in this field. Considering these aspects, this webinar is designed to show a roadmap from academia to industry for building a successful career in data science and artificial intelligence (AI). The webinar also focuses to describe different types of job roles in data science field and opportunities after completion of a data science program.

OUTCOME OF THE EVENT:

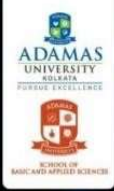

After successfully completion of the event, participants learned the followings:

- (a) A roadmap from academia to industry for building a successful career in data science
- (b) Application of data science and AI in industry
- (c) Different types of job roles offered in data science and corresponding opportunities
- (d) Skills required to develop for jobs in data science

Dear Sir/Madam/Student,

Warm Greetings from Adamas University, Kolkata!

Thank you for being part of our earlier programs.

It gives us immense pleasure to inform you that the Department of Mathematics, School of Basic and Applied Sciences, Adamas University is going to organize a webinar on "**Academia to Industry - A Journey in Data Science and AI**" on **September 4, 2021, at 10:30 am**.

We invite you to join this session by doing **free registration** using the following link: 🌟

<https://forms.gle/ucouUPhsPqJA93eCA>

The flyer is attached herewith for your information.

Looking forward to seeing you in the webinar.

Best regards,

SPEAKER OF THE EVENT: Mr. Suman Pal, Data Science Associate Manager, Financial Service Analytics, Accenture, Bengaluru

TOTAL NO. OF PARTICIPANTS: 112

OBJECTIVE: The objective of this webinar to enlighten the students of Undergraduate and Postgraduate in Mathematics and Statistics and Data Science disciplines about industry need as expert. The objective also includes career opportunities of the courses such as Mathematics, Statistics and Data Science in 21st century. This webinar may help participants to understand application of Mathematics in the field of Data Science. Participants may also enrich himself/ herself about the concept of mathematical approach to solve real life problems which are deals by different software, business, finance and other related industries.

OUTCOME OF THE EVENT:

- Role of Mathematics in data science has been explained clearly by the speaker.
- Participants have learned how to formulate and solve real life problems by mathematical modelling using Linear Programming Problem (LPP).
- The interactive session was very informative and appreciated by the participants.

Report on Career opportunities in Government Jobs

Organized by: School of Basic and Applied Sciences (SOBAS)

Date of the event: 30th October 2021

Time of the event: 11:00 am to 13:00 pm

Venue of the event: Zoom Conference platform

Meeting Link: <https://zoom.us/j/97189059786?pwd=SUJHSXdPc1NxWC9sSEN5ZW5yTXQ0Zz09>

Speaker of the Event: Mr. Abhishek Gautam, Director, RICE IAS

No. of Participants: 88

OBJECTIVES OF THE EVENT: To create awareness amongst students of pure/applied science and technology about career prospects in Government Jobs, both state and central.

FLYER OF THE EVENT:

INVITED TALK

THEME:
"CAREER OPPORTUNITIES IN GOVERNMENT JOBS"
organized by
School of Basic and Applied Sciences, Adamas University

Title of the talk:
"The Highest Calling: Civil Services"

Objective:
Preparing for Civil Services along with University degree by complementing each other.

Venue:
Adamas University, Kolkata, India, Zoom Conference platform

Date:
30th October, 2021

Time:
11:00 am – 01:00 pm

Chairman:
Prof. Jitendra Kumar Pandey,
Pro-VC- Research and Development Affairs and
Dean- School of Basic and Applied Sciences, Adamas University

Coordinator (s):

REPORT ON: “Career Decision Making in Diverse Opportunities”

UNDER THE THEME: MATHEMATICS, STATISTICS & DATA SCIENCE - CAREER OPPORTUNITIES IN 21ST CENTURY

Date of the event: 18th September 2021

Time of the event: 3:00 pm – 4:00 pm

Venue of the event: Zoom Conference platform

Meeting Link: <https://zoom.us/j/98574984711?pwd=bW9ZZTR5MmZiMFFQSjNwT2p1NzZMQT09>

Speaker of the Event: Dr. Sudipto Bhattacharya, Professor at VIT Business School, VIT, Vellore Campus Management

Total number of participants: 28

OBJECTIVE OF THE EVENT:

The main purpose of this webinar is to make students aware of the skills they need to build their careers in different fields related to Mathematics, Statistics along with knowledge in Data Science.

FLYER OF THE EVENT:

INVITED TALK

THEME:
**"MATHEMATICS, STATISTICS & DATA SCIENCE -
CAREER OPPORTUNITIES IN 21ST CENTURY"**
organized by Department of Mathematics,
School of Basic and Applied Sciences, Adamas University

Title of the talk:
"Career Decision Making in Diverse Opportunities"

Resource Person
DR. SUDIPTO BHATTACHARYA,
Professor at VIT Business School,
VIT, Vellore Campus Management

Chairman:
Prof. Jitendra Kumar Pandey,
Pro-VC- Research and Development Affairs and
Dean- School of Basic and Applied Sciences, Adamas University

Convener (s):
Dr. Nav Kumar Mahato
Associate Professor & Head, Department of Mathematics

For any queries, please contact at
+91-9123052682 / 9051137392

Certificate will be provided to all the participants

OUTCOME OF THE EVENT: Following are some of the highlights after successfully completion of the event:

What Characteristics do people in numbers career have?

Attention to detail: Whether you become a data scientist or accountant, you will need to make exact calculation and be precise with equations, algorithms or other mathematical functions.

Analytical Mind: Analytical skills to define problems, plan projects that meet specific goals, and figure out how to apply what you learned to meet particular needs.

Strong Math Proficiency: Even if your job's focus is not specifically on solving equations, you need to be able to perform mathematical calculations.

Logical: You need to make decisions or present outcomes based solely on the result of calculations rather than intuition or emotions.

Strong Communication: In field such as business analytics or data science, you often need to present the results of your studies visually in a way that non-experts will be able to understand.

What are the skillset required to become Data Scientists to Data Engineer to Data Analytics?

Data Scientist will store large amount of data, create predictive modelling processes and present the findings. Skills: Mathematics, Programming, Communication	Data Engineer are versatile generalists who focus on coding, cleaning up data sets and implementing requests that come from Data Scientist. Skills: Programming Mathematics Big Data	Data Analysts typically help people from across the company understand specific queries with charts. Skills: Statistics, Communication, Business knowledge

REPORT ON: *“Data Science and Machine Learning in Telecom”*

UNDER THE THEME: MATHEMATICS, STATISTICS & DATA SCIENCE - CAREER OPPORTUNITIES IN 21ST CENTURY

DATE OF THE EVENT: 25th August 2021

TIME OF THE EVENT: 3:30 pm – 5:00 pm

VENUE: Zoom platform

MEETING LINK: <https://zoom.us/j/95859192596?pwd=dFpvOFBBSWppU3BZT2dNT3E2MTI3UT09>

SPEAKER OF THE EVENT: Mr. Abhishek Sarkar, Lead Data Scientist, Ericsson, Bengaluru

TOTAL NUMBER OF PARTICIPANTS: 125

OBJECTIVE OF THE EVENT:

Telecommunications form the backbone of the modern connected world. To maintain service levels for consumers with ever increasing data and bandwidth requirements, telecom companies use a wide variety of data science and machine learning techniques to optimize operations. These include wide variety of activities ranging from Network optimization to Field operations and Energy Management. Moreover, the sensitive nature of data needs machine learning methodologies that can run in a de-centralized infrastructure and preserve privacy. In this talk, you will learn about some of these methods from the world of communications and IoT.

The objective of this webinar is to enlighten the students of UG and PG in Mathematics, Statistics and Data Science disciplines about the application of Data Science and Machine Learning in Telecom industry. Also, in this talk, career and internship opportunities in Mathematics, Statistics and Data Science in the 21st century in industries have been discussed. Further, faculty members get acquainted with the current industrial research. This webinar may help participants to understand application of Mathematics and statistics in the field of Data Science.

FLYER OF THE EVENT:

INVITED TALK

THEME:
"MATHEMATICS, STATISTICS & DATA SCIENCE - CAREER OPPORTUNITIES IN 21ST CENTURY"
 organized by Department of Mathematics,
 School of Basic and Applied Sciences, Adamas University

Title of the talk: "Data Science and Machine Learning in Telecom"

Session includes:

- Telecommunications industry in the modern connected world
- Use of Data science and Machine learning models/techniques in Telecom industry
- Network optimization, Field operations and Energy Management.
- Use of Machine learning for privacy preserving.
- Learn about some of the methods from the world of communications and IoT
- Career in the field of Data Science and Analytics

Venue : Adamas University, Kolkata, India,
Zoom Conference platform
Date : 25th August, 2021
Time : 3:30 p.m. - 5:00 p.m.

Certificate will be provided to all the participants

Link for registration:

SCHOOL OF BASIC AND APPLIED SCIENCES

QUIZ CONTEST: “AU-In-QUIZ-itive 2.0”

DATE: 11th September, 2021 **Time:** 11:00 am (IST)

VENUE: Online platform (Zoom Link shared with registered participants)

ORGANIZED BY: Department of Physics, School of Basic and Applied Sciences, Adamas University

CHAIRPERSON: Prof. (Dr.) Jitendra Kumar Pandey, Pro VC, Research and Development, & Dean,
School of Basic and Applied Sciences, Adamas University

CONVENER: Dr. Papiya Dhara, Assistant Professor, Department of Physics

COORDINATOR(S):

Dr. Moumita Dey, Head, Associate Professor, Department of Physics

Dr. Tamal Kumar Mukherjee, Associate Professor, Department of Physics

Dr. Diptasikha Das, Assistant Professor, Department of Physics

TOTAL PARTICIPATION: Around 130

RULES & REGULATION FOLLOWED TO CONDUCT QUIZ:

1. Organizer will not be responsible for any issues related to interrupted internet connection during quiz. Participants should take utmost care to have stable and uninterrupted internet connection.
2. Please use desktop/ laptop preferably to follow the screen shared by organizer during quiz. Two separate TABs can be used (One for ZOOM Meeting another for Menti.com). Participation is also possible using mobile phone and it is encouraged.
3. There is no negative marking.
4. Images used in quiz are taken from internet.
5. Explanation of correct answer will be provided elaborately if any participant contacts us after quiz via mail.
6. There will be 5 rounds; each round will have 5 questions, so total 25 questions. Time allowed answering each question, varying from 60 sec. to 70 sec.
7. Answer fast correctly to get more points.

8. After each round first 10 positions will be declared in screen. The final result will be announced after 15-20 min of completion of quiz.
9. First, Second and Third prize will be sent to participant's home address.

PROCEDURE:

Students follow the steps to complete the quiz using Mentimeter.

1. Join the meeting using the zoom link:

<https://zoom.us/j/93582634670?pwd=UDUvNmpFdE1DUkFCbHhqbDd6MC9jZz09>

2. Students to join menti.com for voting. Preferably use another tab/ or mobile for this purpose.

For Free Online Registration please fill up the Google Form:
<https://forms.gle/6FC4Zkn1gcZKz3i96>

For any queries please contact:
Dr. Papiya Dhara, Email: papiya.dhara@adamasuniversity.ac.in Mob: 7759918851

Certificates will be provided to all the participants

OUTCOME:

We have achieved overwhelming response from internal and external students of science background who are really passionate about Physics. Ultimately our goal was to reach school level students to share knowledge, to teach, to learn from others which improve teaching- learning pedagogy as well. Basically, it is the motivation of our school level knowledge drive program, named “Vigyan Prabha” Shaping your future with Science by SOBAS.

HOD, Physics Department
SOBAS

DEAN, SOBAS

Report on *Career Opportunities lying ahead in the field of Physics*

(A career counselling initiative for Physics students)

DATE: 10th July, 2021

VENUE: Adamas University Campus

TIMING: 4.00 pm- 6:00 pm

ORGANIZER OF THE EVENT: Department of Physics, School of Basic and Applied Sciences, Adamas University

ONLINE REGISTRATION LINK:

<https://forms.gle/MmtCUhoo9Ezkc4YXA>

MEETING LINK:

<https://zoom.us/j/97189115426?pwd=WEROZExJbl13cDF0aDU0SjFwajU0QT09>

NO. OF REGISTERED PARTICIPANTS: 486

PANELISTS:

- **Prof. Subhankar Ghosh:** Head, Department of Physics, St. Xavier's College, Kolkata
- **Prof. Ing. Gabriela Pavlendová:** Department of Physics, Slovak University of Technology in Bratislava, Slovakia
- **Mr. Subrata Das:** DGM Operation, Essar Power MP Ltd.
- **Mr. Ranendra Nath Sikdar:** Sr. Asst. Engineer, System Control Dept. CESC LTD
- **Prof. Abhijit Chanda:** Mechanical Engineering Department, Jadavpur University
- **Prof. Bimal Kumar Sarkar:** Senior Professor, Department of Physics, Adamas University

*Department of Physics,
Adamas University*

INTRODUCTION:

Physics is a very basic and fundamental branch of science which deals with matter, energy and their interactions. Physics tries to unfold many secrets of nature throughout the centuries. Though the subject Physics is very powerful enabler of society yet most of the students do not opt for this subject for their career option. In this panel discussion, the panelists are aiming to reveal myriad aspects of Physics and encourage the students to become optimistic regarding the career option based on this subject.

FLYER OF THE SESSION:

PANEL DISCUSSION
 organized by Department of Physics,
 School of Basic and Applied Sciences, Adamas University

Title

CAREER OPPORTUNITIES LYING AHEAD IN THE FIELD OF PHYSICS

Date: 10th July, 2021 Time: 4.00 pm (IST)

Objective:

Department of Physics is going to organize a Panel Discussion for School (10+2 level) and College (B.Sc.) students who are at the juncture of their life to make a career move and who want to pursue a career with Physics. Experts from both Academia and Industry will be sharing their views related to career opportunities in the field of Pure and Applied Physics in India and abroad, evolving nature of the subject with time, Research opportunities etc.

Panellists

Chairperson:
Prof. Jitendra Kumar Pandey,
 Dean, School of Basic and Applied Sciences,
 Adamas University

Coordinator(s):
Dr. Moumita Dey,
 Associate Professor and Head,
 Department of Physics

Convener:
Prof. Bimal Kumar Sarkar,
 Senior Professor, Department of Physics

Dr. Tamal Kumar Mukherjee,
 Associate Professor,
 Department of Physics

Prof. Subhankar Ghosh
 Department of Physics
 St. Xavier's College
 (PG Autonomous), Kolkata
 E-mail: subhankar@sxccal.edu

Prof. Ing. Gabriela Pavlendová
 Department of Physics
 Faculty of Civil Engineering
 Slovak University of Technology in
 Bratislava, Slovakia
 Email: gabriela.pavlendova@stuba.sk

Mr. Subrata Das
 DGM Operation
 Essar Power MP Ltd.
 Email: subrata.das06@gmail.com

Mr. Ranendra Nath Sikdar
 St. Asst. Engineer
 System Control Dept. CESC LTD
 Email: ranencesc@gmail.com

Prof. Abhijit Chanda
 Mechanical Engineering Department
 Jadavpur University
 Email: abhijitchanda.biomed@gmail.com

Prof. Bimal Kumar Sarkar
 Senior Professor, Department of
 Physics, Adamas University
 Email: bimal.sarkar@adamasuniversity.ac.in

For any queries please contact:
Dr. Moumita Dey,
 Email: moumita.dey@adamasuniversity.ac.in, Mob: 9830224321
Dr. Tamal Kumar Mukherjee,
 Email: tamalkumar.mukherjee@adamasuniversity.ac.in, Mob: 7980798346

Certificates will be provided to all the participants

Moderator:
Dr. Moumita Dey
 Head, Department of Physics

For Free Online Registration please fill up the Google Form:
<https://forms.gle/MmtCUhoo9Ezkc4YXA>

OUTCOME OF THE EVENT:

Department of Physics organized the Panel Discussion for School (10+2 level) and College (B.Sc.) students who were at the conjuncture of their life to make a career move and who wanted to pursue a career with Physics. Experts from both Academia and Industry shared their views related to career opportunities in the field of Pure and Applied Physics in India and abroad, evolving nature of the subject with time, Research opportunities, etc. Prof. Ghosh particularly mentioned that along with the conventional career choices a Physicist can have a great career ahead in unconventional domains as well like patent officer, finance analyst, meteorologist, etc.

GLIMPSE OF THE EVENT:

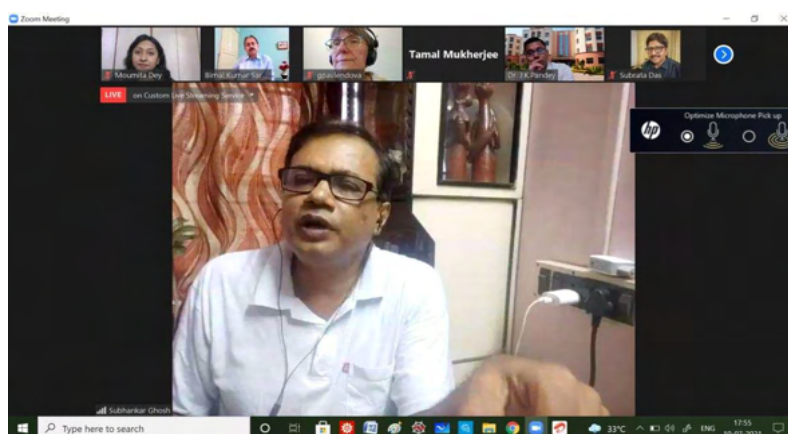

Photo1. Discussion Career Opportunities in Physics

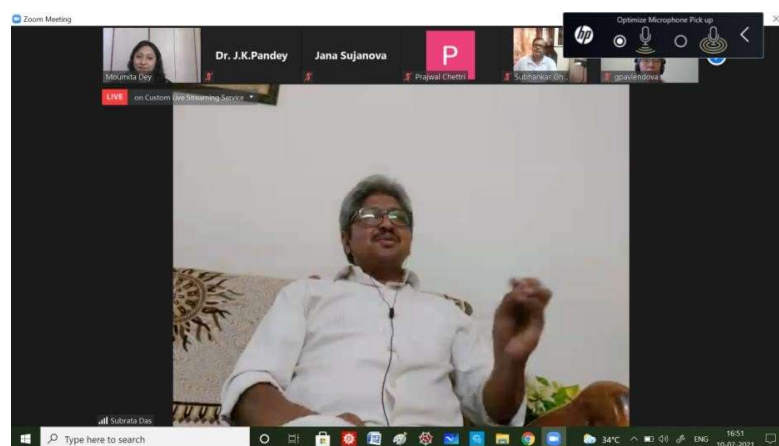

Photo2. Discussion Career Opportunities in Physics

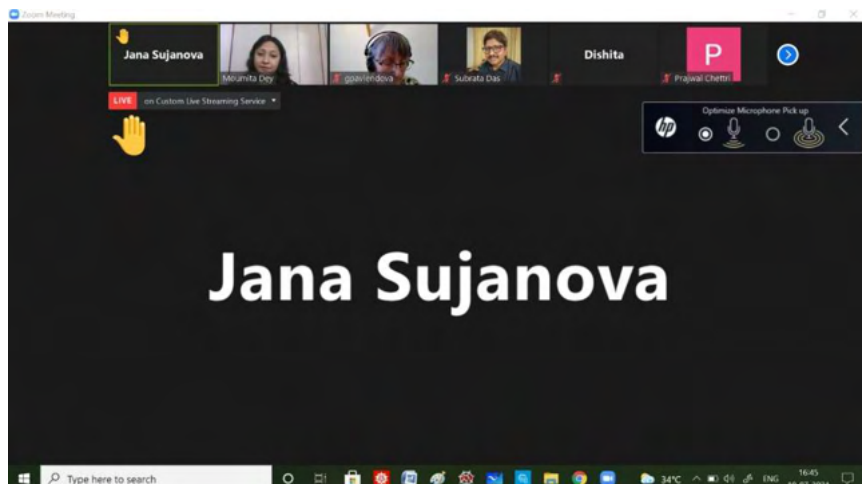

Photo3. Discussion Career Opportunities in Physics

ATTENDANCE LIST:

Name of the Participant	Designation	Name of the Institution
Sandip Mandal	PhD	IISc
Soumyadip Mitra	Phd scholar	IIT MADRAS
Subhadeep Patra	College Student (Other)	Adamas University
Aditya Narayan Das	College Student (B. Sc.)	Adamas University
Pinaki layek	College Student (B. Sc.)	Adamas University
Joyshree Seal	College Student (B. Sc.)	Adamas University
Sumit Das	College Student (B. Sc.)	Adamas University
Deep Chowdhury	College Student (B. Sc.)	Adamas University
Sufia Arshi	College Student (B. Sc.)	Adamas University
Mrigakshi Sarkar	College Student (B. Sc.)	Adamas University
Biplab Pal	Faculty	Kaliachak College, Malda
Supriyo Maity	School Student (Class XII OtherStream)	MEDICA
Swastik Jaitly	College Student (B. Sc.)	Adamas University
Srijanee Seth	School Student (Class XII Science)	Ranaghat Debnath Institution for Girls
Harmat Singh	College Student (Other)	Adamas university
Sristy Kumari	Msc. Biotechnology	Gaya College Gaya
Soumen Saren	College Student (B. Sc.)	Sovarani Memorial College
Saikat hazra	College Student (B. Sc.)	Prabhu Jagatbandhu College
Rohan Koley	College Student (B. Sc.)	Prabhu Jagatbandhu College
Sujoy Sadhukhan	College Student (B. Sc.)	Surendranath College
Soumya Saha	Faculty	Bidhan Chandra College (Rishra)
Kausik Pal	Faculty	Serampore College
Arindam Mondal	College Student (B. Sc.)	Uluberia College

Kingshuk Das	College Student (B. Sc.)	University of Calcutta
Pritam Sadhukhan	College Student (B. Sc.)	Uluberia College
Aloke Kumar Polley	College Student (B. Sc.)	Uluberia College
Atin Bag	College Student (B. Sc.)	Prabhu Jagatbandhu College
Anubhab Maity	College Student (B. Sc.)	Acharya Jagadish Chandra Bose College
Smriti Roy	M.Sc Physics	Tezpur University
Atin Bag	College Student (B. Sc.)	Prabhu Jagatbandhu College
Ayan Sarkar	College Student (B. Sc.)	Acharya Jagadish Chandra Bose College
Riddhi Das	College Student (Other)	Adamas University
Deepak Kumar	College Student (B. Sc.)	Aacharya Jagadish Chandra Bose College
Arghya Sarkar	College Student (B. Sc.)	Acharjya jagadish chandra bose college
Riddhi Das	College Student (Other)	Adamas University
Sourav Natta	College Student (B. Sc.)	Vidyasagar College (University of Calcutta)
Debasish Sanyal	College Student (B. Sc.)	Acharya Jagadish Chandra Bose Collage
Rajibul Islam	College Student (B. Sc.)	Surendranath College
Swati Shaw	College Student (Other)	Rajabazar Science College
Arabinda Malakar	College Student (B. Sc.)	Maharaja manindra chandra college
Aniket Halder	College Student (B. Sc.)	Charuchandra college
Subhadeep Chakraborty	College Student (Other)	Prabhu jagat bandhu college.
Shirsha Naskar	College Student (B. Sc.)	Charuchandra college
Biswajit Bhukta	College Student (B. Sc.)	Uluberia College
Ankita Kar	College Student (B. Sc.)	Uluberia collage
Mahabir Mahato	College Student (B. Sc.)	Calcutta University (Charuchandra college)
Kuheli Mitra	College Student (B. Sc.)	Gokhale Memorial Girls' College
Chandan Kumar Das	College Student (B. Sc.)	AJC Bose College
Rahul Kumar Gupta	College Student (B. Sc.)	Sir Gurudas Mahavidyalaya
Akash Sharma	College Student (B. Sc.)	Charuchandra College
Sayan patra	College Student (B. Sc.)	Prabhu jagatbandhu college
Md Haider Ali	College Student (B. Sc.)	Calcutta University
SHUBHABRATA GANGULI	College Student (B. Sc.)	Acharya Jagadish Chandra Bose College
Diaa Dutta	College Student (B. Sc.)	AJC Bose college
Baibaswat Adak	College Student (B. Sc.)	Acharya Jagadish Chandra Bose College
Ariz Arshal	College Student (B. Sc.)	A.J.C.Bose College
Anik Singharoy	College Student (B. Sc.)	Serampore College
Sudip dey	College Student (B. Sc.)	Prabhu jagatbandhu college
Jyoti Kumari singh	College Student (B. Sc.)	Acharya Jagadish Chandra Bose college
Shirsendu Das	Faculty	Uluberia College
Saheli Chakraborty	College Student (B. Sc.)	Serampore College
Md Maashir Raza	College Student (B. Sc.)	Bangabasi college / University of Calcutta
Mou Banerjee	Faculty	Organization
Deeponjit Bose	College Student (B. Sc.)	Dinabandhu Andrews college
Sayan Mukherjee	College Student (B. Sc.)	Uluberia college
Ayan Kumar Das	College Student (B. Sc.)	Serampore College

Snehashis Mandal	College Student (B. Sc.)	Surendranath College
Umrah Naushad	College Student (B. Sc.)	Acharya Jagadish Chandra Bose College
Shaweta Mohan	Faculty	BBK DAV College for Women, Amritsar
Pritam Mondal	College Student (B. Sc.)	Surendranath College
RITAM PAL	College Student (B. Sc.)	Uluberia College
Debbrata Sarkar	College Student (B. Sc.)	Serampore College
Sampad Ghosh	College Student (B. Sc.)	Acharya Jagadish Chandra Bose college
Tanisha Borai	College Student (B. Sc.)	Bhawanipur Education Society college
Senjuti Bhattacharya	College Student (B. Sc.)	Bhawanipur education society college
Anandarupa De	College Student (B. Sc.)	Bhawanipur Education Society College
Anindita Koley	College Student (B. Sc.)	Prabhu Jagatbandhu College
Atrayee Paul	College Student (B. Sc.)	Bhawanipur Education Society College
Shruti Shah	College Student (B. Sc.)	Bhawanipur Education Society College
Biswajit Saha	Faculty	Uluberia College
Diyangshee Sarkar	College Student (B. Sc.)	Bhawanipore education society
Sumon Mondal	College Student (B. Sc.)	Sammilani Mahavidyalay
Ramprakash	College Student (B. Sc.)	Bishop Heber College Trichy
Tiasha Bhattacharyya	College Student (B. Sc.)	Bhawanipur education society college
Souradip Roy	College Student (B. Sc.)	The Bhawanipur Education Society College
Rajibul Islam	College Student (B. Sc.)	Surendranath College
Nilabha Chatterjee	College Student (Other)	Uluberia College
Anmoy Choudhury	College Student (B. Sc.)	Bhawanipur college
Rahul Chandra	Senior Research Fellow (CSIR UGC NET)	The University of Burdwan
Sk Sahid Aktav	College Student (B. Sc.)	Uluberia College
Suparna Basak	Faculty	The Bhowanipur Education Society College
Lipika Adhya	Faculty	BPPIMT, MAKAUT
Jonmoni Dutta	M. SC student	Tezpur University
Shuvam Ghosh	College Student (B. Sc.)	Behala college
Srishti Sikdar	College Student (B. Sc.)	Bethune College
Sahana Chanda	College Student (B. Sc.)	Bethune College
Sangita Paul	College Student (B. Sc.)	Bethune College
Sukanya Mondal	College Student (B. Sc.)	Bethune College
Sulagna Haldar	College Student (B. Sc.)	Bethune College
Sukanya Mondal	College Student (B. Sc.)	Bethune College
Adrija Sarangi	College Student (B. Sc.)	Bethune College
Afsara Parvez	College Student (B. Sc.)	The Bhawanipore Education Society College
Saptashi Chatterjee	College Student (B. Sc.)	Bethune College
Priyadarshini Saha	College Student (B. Sc.)	Bethune College
Ushasee Paria	College Student (B. Sc.)	Vivekananda College
Suman Chatterjee	College Student (B. Sc.)	Katwa college

Subhadip Bhattacharjee	College Student (B. Sc.)	Presidency University
Rohit Prodhan	College Student (B. Sc.)	Presidency university
Sukanya Bose	College Student (B. Sc.)	Bethune College
Soumyadeep Kundu	College Student (B. Sc.)	Presidency University, Kolkata
Shrestha Gupta	College Student (B. Sc.)	Bethune College, Kolkata
saikat sen	College Student (B. Sc.)	Presidency University
Habibur Ali	College Student (B. Sc.)	Katwa college
Sushanta Ghosh	College Student (B. Sc.)	Katwa College
Srijita Shaw	College Student (B. Sc.)	Bijoy Krishna Girls College
Indrajit Das	College Student (B. Sc.)	Charuchandra college
Srijani Das	College Student (B. Sc.)	Presidency university
Saikat Sengupta	College Student (B. Sc.)	Srikrishna College Bagula
Asma kadri	Faculty	Usto
Ansika Jaiswal	College Student (B. Sc.)	The Bhawanipur Gujarati Educational Society
Suvranil Sarkar	College Student (B. Sc.)	Presidency University
Rounak Ghosh	School Student (Class XII Science)	I want that what is it..
BISWAJIT DAS	Laboratory Assistant	Adamas University
Rubenker Nongrum	Faculty	Nongstoin College, Nongstoin
Priya Sah	College Student (B. Sc.)	Charuchandra College
Abhirup Sarkar	College Student (B. Sc.)	Bhawanipur Education Society College
Arif Sarkar	College Student (B. Sc.)	Department of physics, Scottish Church College
Dhruba Das	College Student (B. Sc.)	Vidyasagar College
Partha Adhikary	College Student (B. Sc.)	Uluberia College
Hosenara Yeasmin	M.Sc in Physics	Tezpur University
Soumi Chatterjee	College Student (B. Sc.)	Bethune college
Arindam Mal	College Student (B. Sc.)	Dinabandhu Andrews College (University of Calcutta)

Seminar on “Looking to the future: Chemists’ Careers in Industry”

DATE AND TIME: July 11, 2021; 11:00 AM

VENUE: Zoom meeting

MEETING LINK: <https://zoom.us/j/97161646746?pwd=mgrreupdeffgrta4m0pmc2fzdstodz09>

SPEAKER OF THE CONFERENCE:

Dr. Soumya Sarkar
Team Leader
EVONIC, Leading beyond
Chemistry
Asia research hub, Singapore

Dr. Abhik Banerjee
Principal Scientist
TCG-centers for Research and Education
in Science and technology, Kolkata

Dr. Titas Mondal
Assistant Professor
Rubber Technology
IIT Kharagpur

Dr. Abhisek Basu
Digital Marketing
Sales Manager
Henkel Adhesives, Pune

Schedule of the event with the date, time and speaker of the session

Time	Nature of Talk	Learned Speaker
11:00 am - 11:10 am	Inaugural Session	Prof. (Dr.) Deependra Kr. Jha, Vice Chancellor, Adamas University, Kolkata
		Prof. Sanjib Ghosh, Professor of Eminence, Department of Chemistry, Adamas University
		Prof. Jitendra Kr. Pandey; Pro-Vice Chancellor (R&D), & Dean of School of Basic and Applied Science, Adamas University
11:10 am - 11:35 am	Invited Lecture	Dr. Soumya Sarkar Team Leader EVONIC, Leading beyond Chemistry Asia research hub, Singapore
11:40 am - 12:05 pm	Invited Lecture	Dr. Abhik Banerjee Principal Scientist TCG-centers for Research and Education in Science and Technology, Kolkata
12:10 pm - 12:35 pm	Invited Lecture	Dr. Titas Mondal Assistant Professor Rubber Technology, IIT Kharagpur
12:40 pm - 1:05 pm	Invited Lecture	Dr. Abhisek Basu Digital Marketing Sales Manager Henkel Adhesives, Pune

TOTAL NUMBER OF PARTICIPANTS: 90**OBJECTIVES:**

An international One-day conference titled “**Looking to the future: Chemists’ Careers in Industry**” was conducted by Department of Chemistry, School of Basic and Applied Sciences of Adamas University, via zoom meeting. From a student perspective, most difficult job while studying is to set futuristic goal. Major reason is lack of exposure. The primary aim of the conference was to give an overview to the students about the working procedure of chemical industry. In this turbulent and changing world, the future of chemical science cannot be defined in a single frame. The eminent speakers of the conference both from different part of India and abroad shared their journey to be a successful chemist and discussed how focus chemical industry changes for betterment. Students would get to know how to get into and to sustain in the chemical industry.

OUTCOME:

Department of Chemistry, School of Basic and Applied Sciences, Adamas University organized a one-day webinar titled **“Looking to the future: Chemists’ Careers in Industry”** which was scheduled on 11th of July, 2021. The seminar was inaugurated by HOD Dept. of Chemistry, Dr. Arpan Manna with an introductory speech regarding Chemistry in Adamas University. After that Prof. (Dr.) Jitendra Kr. Pandey; Pro-Vice Chancellor, AU & Dean of School of Basic and Applied Sciences address the participants and the speakers with welcome note. Prof. Dr. Sanjib Ghosh Professor of Eminence, Department of Chemistry, AU then welcome and motivate students and made the atmosphere of the conference. The first session was chaired by Dr. Kisholoy Bhattacharyya and Dr. Dipshikha Bhattercharyya, Assistant Professors in the Dept. of Chemistry. The 1st speaker was Dr. Soumya Sarkar, the Team Leader in EVONIC, Singapore who had discussed about the scope of studying chemistry. He also shared his experience in developing new materials for 3D printing. The next speaker is a polymer technologist, Dr. Titas Mondal who shared his experience to motivate the students. He discussed different facets of the chemical industry and about the ‘Tech’ degree option for a student after doing a B.Sc or M.Sc in Chemistry.

Both the talks were very appreciated by the students and they came with many questions which include how to get absorbed in chemical industry after ‘Tech degree’ or how to go abroad etc. During this session students also got to know about the different internship that is offered by chemical industries.

The next session was chaired by Dr. Deboprati Das, Assistant Professor in the Dept of Chemistry who introduced Dr. Abhisek Basu, the next speaker. Dr. Basu has an MBA degree from Symbiosis, Pune after B.Tech Chemistry. He also shared his experience which eventually open a new arena to which the students in chemistry may follow in the future. The session was interactive too. Students were benefitted and motivated too by the conference and could able to set their goals. The conference came to an end with vote of thanks by Dr. Arpan Manna.

GLIMPSE OF THE EVENT:

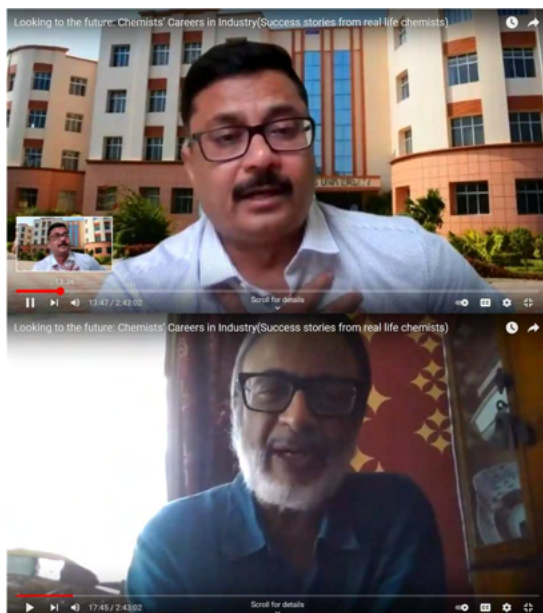

Figure 1 & 2: Prof. (Dr.) Jitendra Kumar Pandey, Pro-Vice Chancellor and Dr. Sanjib Ghosh, Professor of Eminence, Department of Chemistry, delivering the inaugural Session

Figure 3 & 4: Screenshot of the presentation given by Dr. Soumya Sarkar to the students

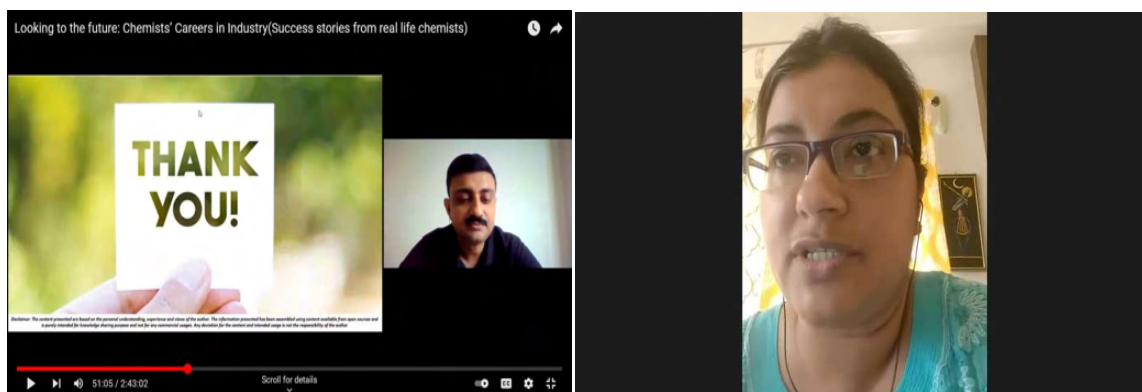

Figure 5 & 6: Dr. Soumya Sarkar clarifying doubts of student

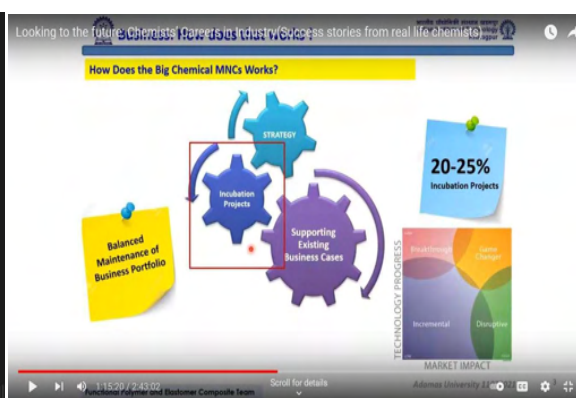

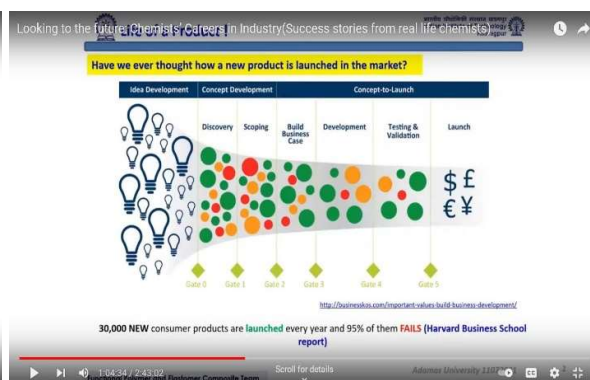

Figure 7 to 10: Screenshots of Dr. Titash Mondal delivering his lecture

Abhishek Basu

Professional	Academic	Personal
11 years of professional experience - Started career in AlkoNobel protective coatings - Currently part of Digital Marketing team in Henkel Adhesives	- Graduated in Chemistry Hons. - Post graduation in Chemical Tech. - Executive MBA from SMS	- Currently living in Pune with family - Passionate about Football and music

Career prospects

After completion of Graduation/post graduation program, we can look forward to following options:

- Academic
- Research
- Manufacturing Industry

3

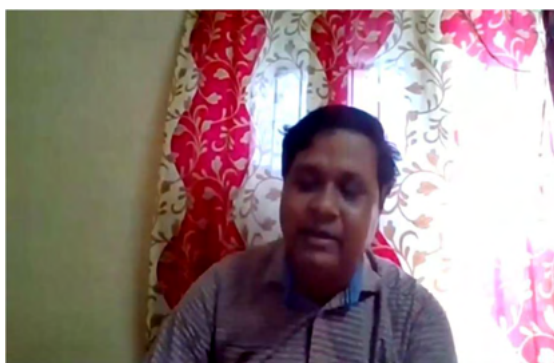

Figure 13 & 14: Screenshots of participants discussing during the session

FLYER OF THE EVENT:

A ONE-DAY CONFERENCE ON LOOKING TO THE FUTURE: CHEMISTS' CAREERS IN INDUSTRY

(Success stories from real life chemists)

Organised By, The Department of Chemistry, School of Basic and Applied Sciences, Adamas University, Kolkata-700126

Objective of the conference: In this turbulent and changing world, the future of the chemical sciences is unclear and cannot be defined in a single frame, what effect would this have on chemists and the chemical sciences? How would automated, remote and modular chemistry change the world? This conference will guide prospective students to learn real-life stories from real-life chemical scientists.

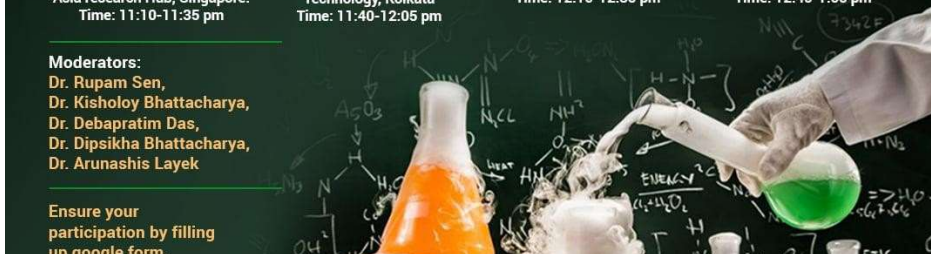

Date & Day: 11.07.2021 - Sunday
Time: 11:00 am
Mode of Conference: Online mode via ZOOM platform

1st Session		2nd Session	
 Dr. Soumya Sarkar Team Leader EVONIK, Leading Beyond Chemistry Asia research Hub, Singapore. Time: 11:10-11:35 pm	 Dr. Abhik Banerjee Principal Scientist, TCG-Centres for Research and Education in Science and Technology, Kolkata Time: 11:40-12:05 pm	 Dr. Titas Mondal Assistant Professor Rubber Technology IIT-Kharagpur, Kharagpur Time: 12:10-12:35 pm	 Mr. Abhisek Basu Digital Marketing Sales Manager, Henkel Adhesives, Pune Time: 12:40-1:05 pm

Subject: Invitation link for attending today's conference_Chemistry Adamas University

Dear Participant,

Thank you for registering for the conference "**Looking to the future: Chemists' Careers in Industry**".

The conference will be through a zoom platform. You are requested to log in to the zoom meeting invitation link at least 10 minutes of the scheduled time of the conference. You can confirm the actual time and details of the speaker from the technical details of the programme attached here.

The relevant zoom link is the following one Topic:

Career in Future Industrial Chemistry

Time: **Jul 11, 2021 11:00 AM India**

Join Zoom Meeting

The Department of Chemistry

SOBAS

Adamas University

To
Mr. Abhisek Basu
Digital Marketing
Sales Manager,
Henkel Adhesives

Respected Sir,

Greetings from the Department of Chemistry under School of Basic and Applied Science, Adamas University, Kolkata. Hope you are keeping well.

Situated in the scenic green campus of Adamas University, Kolkata, the Department of Chemistry started its activity in 2015. Chemistry Department, Adamas University offers an innovative curriculum to help students succeed in the chemical industry, academia, medicine, education, and so much more. Although we are a comparatively new University, but we have tried to establish a high benchmark in terms of Teaching and Research, by maintaining the quality of imparting education.

Here is our Web Page: <https://science.adamasuniversity.ac.in/chemistry/>

We are organizing a conference to make aware the students (especially from class 12 and Undergraduate level) regarding the opportunities they can avail in chemical research and development industry following the completion of their usual training at universities under the title of **“Looking to the future: Chemists’ Careers in Industry”** on **11th July**. Our goal is to build awareness of the broad array of career opportunities in Chemistry available to students. Your discussion on the topic will be a great addition to our event.

In this regard we would like to invite you to deliver an invited talk.

We believe your “voice” will be beneficial to everyone and to like-minded individuals who attend the event.

Thank you for taking the time to read our invitation, and I very much look forward to hearing from you soon.

With Best Regards
Sincerely
Arpan Manna

Dr. Arpan Manna
Head of the Department
Department of Chemistry
School of Basic and Applied Sciences
Adamas University
Kolkata-700126

SCHOOL OF BASIC AND APPLIED SCIENCES

Seminar on “Industry Connect 2”

(A career counselling initiative for chemistry students)

DATE AND TIME: October 31, 2021; 11:30 AM – 12:30 PM

VENUE: Zoom meeting

MEETING LINK: <https://zoom.us/j/96136850247?pwd=SXZLN09HVU8zMmt0MjFFSkkyb0dyQT09>

SPEAKER OF THE SEMINAR:

Dr. Jaganmohan Reddy

Founder, CEO & CSO
UR Advanced Therapeutics Pvt Ltd
Room No: 19, ASPIRE-BioNEST,
Institute of Life Sciences,
University of Hyderabad, Gachibowli,
Hyderabad

TOTAL NUMBER OF PARTICIPANTS: 144

OBJECTIVE OF THE SEMINAR:

“Industry Connect 2” was conducted by Department of Chemistry, School of Basic and Applied Sciences of Adamas University. The webinar consisted of one lecture from an eminent persona from industry who is a successful academician also, and it was conducted via zoom meeting. The aim of the seminar is to provide an opportunity and motivation to learn about the latest trends and techniques that are being utilized in Bioengineering. All aspiring participants will be exposed to the avenues of new opportunities in Bioengineering which will encourage them towards their future career endeavor.

OUTCOME OF THE SEMINAR:

Department of Chemistry, School of Basic and Applied Sciences, Adamas University organized a one-day webinar titled **“Industry Connect 2”** which was scheduled on 30th of October, 2021. The seminar was inaugurated by Dr. Rupam Sen, Head of the Dept. Dept. of Chemistry, SOBAS, AU with a welcome address and followed by the motivational speech by Prof. Jitendra Kr. Pandey; Pro-vice Chancellor, AU & Dean of School of Basic and Applied Sciences and Prof. Dr. Sanjib Ghosh, Professor of Eminence, Department of Chemistry, AU. The seminar consisted of one lecture and the session was chaired by Dr. Sudensna Kar, Assistant Professor Department of Chemistry, AU who welcomed the guest of the day Dr. Jaganmohan Reddy who is the Founder, CEO & CSO UR Advanced Therapeutics Pvt Ltd. The title of his lecture was ‘Engineering Biomaterials for organ regeneration and personalized therapy’. He explained how developing of protein-based biomaterials are used in organ regeneration and therapeutics. These materials are developed using recombinant DNA technology and thus can be produced robustly making them affordable and robust for use in less privileged countries. The lecture was very much appreciated by the students as well as the other percipients. The interactive session was very successful as students asked many questionsto the speaker regarding the career opportunity in the bioengineering field, possibility of gettinginternship in his company and also to cherished academic interest solely. The conference was come to an end with vote of thanks by the Dr. Rupam Sen.

FLYER OF THE SEMINAR:

“Industry Connect 2”

Organized by
Department of Chemistry,
School of Basic and Applied Sciences, Adamas University

Title of the talk:
“Engineering Biomaterials for organ
regeneration and personalized therapy”

Objective:
The aim of the webinar is to provide an opportunity
and motivation to learn about the latest trends and
techniques that are being utilized in Bioengineering.
All aspiring participants will be exposed to the
avenues of new opportunities in Bioengineering
field which will encourage them towards their future
career endeavour.

Venue : Adamas University, Kolkata, India,
Zoom Conference platform
Date : 31st October, 2021
Time : 11:30 am – 12:30 pm

SCHOOL OF BASIC AND APPLIED SCIENCES
A Career Counselling Initiative

Event Name: “Pursuing a career in Geography: Stepping into Government Sector”

Organized by:
Department of Geography

under the aegis of
School of Basic and Applied Sciences (SOBAS),
Adamas University

Date: 17th August 2021

Timing: 11:00 AM – 12:30 PM

Venue: Zoom Online Platform

Event Link: <https://zoom.us/j/99193142063?pwd=NkdoVkZZKzc0ZFRURUhrK2VoeGhOdz09>

No. of Participants: 90

SUMMARY:

The mentioned program took place on 17th of August, 2021. The theme of the program was to guide the future aspirants of the geography students in making their career choices in the Government Sector. Research scholars and students of Geography from various universities have joined in this program. Prof. Jitendra Kumar Pandey, Dean, SoBAS, Adamas University initiated the program with his welcome speech followed by a detailed presentation about the academic endeavours of Dept. of Geography given by Dr. Kasturi Mukherjee, HOD, Dept. of Geography. Dr. Supratim Karmakar delivered a lecture on scopes for the students and scholars of geography in the government sector.

OUTCOME:

1. The participants were informed about the various job opportunities in govt. sector for the geographers.
2. They got an idea about how to get prepared for the govt. sector jobs.

FLYER OF THE EVENT:

ADAMAS UNIVERSITY
ADIKRATA
PURSUE EXCELLENCE

**Department of Geography,
School of Basic and Applied Sciences,
Adamas University**
invites you to join for a panel discussion on

**SCHOOL OF

A Career Counselling Initiative

Event Name: “Pursuing a career in Geography: Stepping into Research and Development”

Organized by:
Department of Geography

under the aegis of
School of Basic and Applied Sciences (SOBAS),
Adamas University

DATE: 20th August 2021

TIMING: 11:00 – 12:30

VENUE: Zoom Online Platform

MEETING LINK: <https://zoom.us/j/97790718484?pwd=RXVaZWczem1oaWdZZVpENVA2dTlYQT09>

NO. OF PARTICIPANTS: 120

SUMMARY OF THE SESSION:

The mentioned program on Career building took place on 20th August, 2021. The program was interactive nature and joined by students and research scholars who are aspired to grow in the field of geography. Dr. Rajib Sarkar, Assistant Professor, Department of Geography delivered in depth lecture on the career scopes in the field of research work in the domain of geography. Dr. Kasturi Mukherjee, HOD, Department of Geography of this university highlighted the scope of research in Department of Geography, Adamas University.

Build Your Career -
An expert deliberation on
“Studying Environmental Science: Know what Industries expect from you”

Organized by:
The Faculty of Environmental Science, Department of Chemistry
under the aegis of
School of Basic and Applied Sciences (SOBAS),
Adamas University

Speaker: Mr. Debasish Sengupta,
General Manager,
Ultratech Environmental Consultancy and Laboratory, Kolkata Branch
(Laboratory approved and *Gazetted by MoEFCC, NABL, QCI - NABET Accredited ISO 9001:2015 certified EIA Consulting Organization*)

Date and Time: April 2nd, 2022; 11:00 AM–1:00 PM

Venue: ZOOM meeting platform

Meeting Link: <https://adamasuniversity-ac-in.zoom.us/j/98974500910?pwd=S1lGeDFJcnlOZVVPTW9kOVhMM0kxUT09>

Meeting ID: 989 7450 0910, Passcode: 688150

Total No of participants: 106

OBJECTIVES:

The webinar was organized to help the students of Environmental Science to get a clear idea about prerequisites and the expectations of industries where they are likely to get hired as subject expert. Our resource person is an industry expert who himself has grown from being M.Sc. in Environmental Science and now he is leading an ISO9001:2015 company. He himself is involved in the assessment and document preparation of EIA programs for several types of industries. This lecture was targeted to explain what is environmental compliance and environmental clearance, what are processes for the baseline detection and future prediction of environmental impacts. He has deliberated upon the minute details of the process and the prerequisites of the experts involved in the process. He also discussed what types of soft skills are required to get into environmental consultant firms as a professional in this domain.

FLYER OF THE EVENT:

Build Your Career

Organized by the Faculty of Environmental Science,

KOLKATA
PURSUE EXCELLENCE

SCHOOL OF
BASIC AND APPLIED SCIENCES

Date : 2nd April 2022
Time: 11 AM - 1.00 PM
Platform: Zoom (Zoom meeting link
will be shared with registered candidates)

Title of the Talk:
Studying Environmental Science: Know what Industry expects from you

Mr. Sengupta is actively involved in environmental assessment, environmental clearance and compliance services, EMP consultancy services, and commissioning of pollution control systems.

He will shed light on:

1. What is Environmental clearance and compliance?
2. What is the role of an Environmental scientist/professional in such activities?
3. What are the prerequisites preferred by the employers in this domain?
4. What benefits can a degree in Environmental Science offer to get into such organizations?

Highlights of the talk

Chair:
Prof. (Dr.) Jitendra Kumar Pandey, Pro VC (R&D affairs) and Dean, SOBAS

Convenor:
Dr. Rupam Sen, HoD & Associate Professor

Dr. Tanmoy Kumar Dey, Assistant Professor (Environmental Science)

Coordinators:
Dr. Prantik Banerjee, Assistant Professor (Environmental Science)
Dr. Indrani Ghosh, Assistant Professor (Environmental Science)

Moderator:
Ahana Pal, M.Sc. student of Environmental Science

For Free Online Registration
please fill-up the google form:
<https://forms.gle/ncvxd1McBRvm7oww6>

**E-certificate will be provided
to all participants**

For any queries please contact: Dr. Tanmoy Kumar Dey (9874047549).

PROGRAM SCHEDULE:

11:00 am - 11:05 am	Welcome address: Dr. Tanmoy Kumar Dey, Assistant Professor (Environmental Science), Department of Chemistry
11:05am - 11:10 am	Message from Prof. (Dr.) Jitendra Kumar Pandey, Pro-Vice Chancellor, Research and Development & Dean, School of Basic and Applied Sciences, Adamas University.
11:10 am - 11:15 am	Introductory speech by Dr. Indrani Ghosh, Assistant Professor (Assistant Professor) Department of Chemistry
11:15 am - 11:20 am	Introduction to the speaker: Miss. Ahana Paul (PG student, Environmental Science)
11:20 am - 12:20 pm	Speaker: Mr. Debasish Sengupta, Topic Title: “Studying Environmental Science: Know what Industries expect from you”
12:20 pm - 12:50 pm	Q&A session Moderator: Miss. Ahana Paul
12:50 pm - 12:55 pm	Vote of Thanks: Dr. Prantik Banerjee, Assistant Professor (Environmental Science), Department of Chemistry, AU.
12:55 pm - 1:00 pm	Concluding Remarks: Prof. (Dr.) Jitendra Kumar Pandey

GLIMPSE OF THE EVENT:

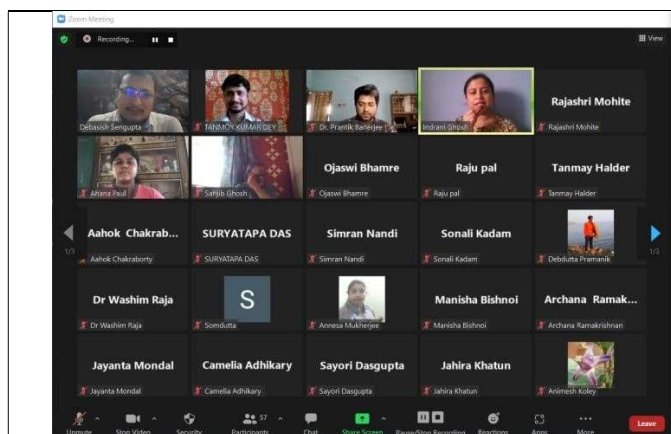

Figure 1: Introduction of the Department by Dr. Indrani Ghosh, Assistant Professor (Environmental Science), Department of Chemistry, AU.

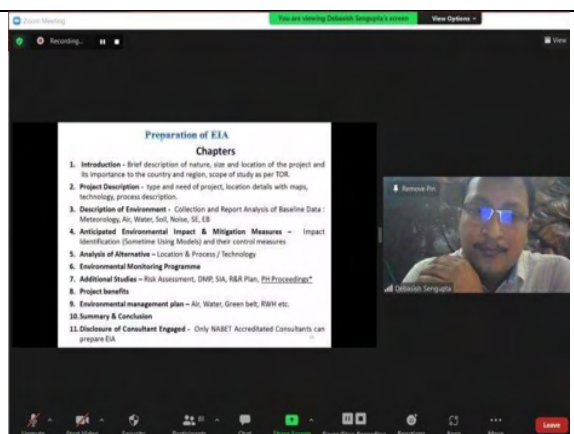

Figure 2: Mr. Sengupta explaining the nitty gritty of EIA procedure.

Sharp Pitch - Workshop on Resume Building (Career Building Session)

Organized by: School of Engineering and Technology, Adamas University

Date & Time: August 29, 2021 (3:30 PM – 5:00 PM)

Mode of Delivery: Zoom (Online)

Meeting Link: <https://zoom.us/j/95659951400?pwd=b0NmL0xUZXPONmVwTXVYc1o5VmlGUT09>

No. of Participants: 38

SUMMARY OF SESSIONS AND ABSTRACT OF PROCEEDINGS:

A workshop on resume building was organized by the School of Engineering and Technology, Adamas University on 25th August 2021. The event started at 3:30 AM. The workshop was hosted by our second-year student Ms. Nandini Roy. The event started with a speech by SOET, Dean Sir Prof. (Dr.) Ashwini Sharma. Our honorable guest speaker Dr. Hory Shankar Mukerjee, principal education and training elaborated on various aspect of resume building exercises, followed by do's and don'ts in a resume. He also shared various examples from his vast experience. Dr. Mukerjee elaborated on the recent trends on the video resume and how to make it. He shared various videos elaborating on the ways we can prepare our video resumes. The speaker also addressed many queries asked by our participants. The session was concluded with a Vote of Thanks by Ms. Sunam Saha, co-convenor of the event. The event was registered by 54 participants.

Report on Guest Lecture on Career Opportunities in Microwave Filters Design by Kim Eilert (Caltech, USA)

Organized by: Electronics and Communication Engineering & IETE Students' Forum

Date & Time: 14/08/2021 & 7:00 PM – 8:00 PM

Mode of Delivery: Online (through Zoom)

Meeting Link:

<https://zoom.us/j/98149305287?pwd=WEYzY0xiVTVvcnZDYXVSTHVVGZUtkdz09>

No. of Participants: 31

Nationality –Indian, Iranian

Objectives: The agenda of the talk is to generate interest and share industry experience among the students and professionals in the field of Microwave Engineering. The major objective of the talk is to foster learning and provoke inspiration to solve real-world challenges on the field of Microwave Filter Design.

Summary of Sessions and Abstract of proceedings:

Department of Electronics and Communication Engineering, SOET, Adamas University and its IETE Students Forum jointly organized a virtual Guest Lecture on " **Career Opportunities in Microwave Filters Design**" which is becoming an emerging career option for ECE students and professionals. The speaker was **Kim Eilert (Vice-Chair, IEEE Operations Committee, Inter-society Committee, & Young Professional Committee (IEEE MTT-S WIM Coordinator))**.

Some Points Discussed are as Follows: -

1. History of EM waves.
2. Fundamentals and Types of Filters.
3. Micro-strip Filters.
4. Maxwell's Equation and their significance in designing Filters.
5. Some Case Studies on BPF.
6. Resonators
7. Career opportunities and Internship opportunities in Microwave Filter Industry.

Speaker has got expertise in this field and have been associated with Intel, HCL etc. The guest lecture was scheduled on **14th August 2021 from 7:00 PM to 8:00 PM**.

The guest lecture commenced with a significance of filter design in modern day smart phones, and the objectives of the session was highlighted. The expert went on to further elaborate the critical skill gaps. The speaker initially highlighted the significance of Maxwell's Equations in Microwave Filter Design followed by a few micro-strip band pass filters, quarter-wave filters etc. The construction and challenges in practical realization were also explained briefly during the session. Next, the speaker explained the significance of resonance in designing and operations of Microwave Filters. Finally, the speaker explained about the design of Microwave Filters using EM simulation software (like Sonnet Project Editor). The speaker also explained the design of a filter at the last part of the session using

EM simulation and design software. Finally, the speaker concluded with the general job opportunities in the field of Microwave Filter design. Also, special advice for future filter designers and career design suggestions were provided by the Hon. Guest speaker. The guest speaker also provided some of her practical experience while working in various industries.

Mr. Bikash Ranjan Behera	IIT Bhubaneswar, Odisha, India	PhD Research Scholar	Strongly Agree	Excellent	It was a nice and informative session on Filters.	Keep organizing such type of webinars. It was a nice and informative webinar event.
JAYAPAL ELLURU	S.V UNIVERSITY COLLEGE OF ENGINEERING	Ph.D Scholar	Strongly Agree	Excellent	Importance of filter	
Khalid Ali Khan	Metu University, Ethiopia	Faculty	Strongly Agree	Excellent	Filter in application	Nice
Ganga Sagar Verma	University of Delhi South Campus, New Delhi	Student	Strongly Agree	Excellent	Analysis and design of microwave filter	yes
Manimala V	Builders Engineering college, Erode	Faculty	Strongly Agree	Excellent	The sound wave example for filter design was interesting	
ARJUN B MURALI	SAINTGITS COLLEGE OF ENGINEERING (AUTONOMOUS)	PG SCHOLAR	Strongly Agree	Excellent	Clear concepts on filters and microstrip	Career oriented discussions have to be focussed
Bipratip Dey	Technique Polytechnic Institute	Student	Agree	good	Microwave Filter	No
Antra Nayak	Adamas University, Kolkata	Student	Strongly Agree	Excellent	It was very charming session. Though it is a new aspects to me, it will encourage me in future.	Some more webinar in this aspects will be helpful to us.
Dr. Rajesh Kumar Vishwakarma	Jaypee University of Engineering and Technology, Guna	Faculty	Strongly Agree	Excellent	About filter	No
Sagnik Chakrabarti	Adamas University	Student	Agree	good	I learnt about career opportunities in Microwave filters	
Suleyman Nokerov	Oguzhan Engineering and Technology University of Turkmenistan	Lecturer	Strongly Agree	Excellent	Mathematical modeling by Maxwell's equation	Everything was fine
Siveta Bhattacharjee	Adamas University	Student	Strongly Agree	Excellent	New opportunities in the field of microwave	No
Diptayan Dasgupta	Adamas University, Barasat	Student	Agree	good	Learnt about the career opportunities in microwave filters	
S GANGADHARA T VENKADESH	NATIONAL ENGINEERING COLLEGE, KOVILPATTI	FACULTY	Strongly Agree	Excellent	RECENT OPPORTUNITIES IN MICROWAVE FIELD	ORGANISE ANOTHER ONE WEBINAR

Report on a Two Day International Seminar on Innovative Industry Practices & Future Industry Skills for Electronics and Computer Engineering Graduates (Career Building related)

Organized by: Electrical and Electronics Engineering Department & IETE Students' Forum (ISF), Adamas University

Date & Time: 20/11/2021 to 21/11/2021 & 11:00 AM – 1:30 PM

Mode of Delivery: Online (through Zoom)

Meeting Link:

<https://zoom.us/j/93439448185?pwd=WVJCSnlueUp6Vk43K0cyc1VYWHcvdz09>

No. of Participants: Day- 01 (20-11-2021): 52

Day-02 (21-11-2021): 49

Nationality –Indian, Philippines, Ukraine, and Malaysia

Objectives: The objective of this 2-day industrial seminar is to bridge up the gap between industry and academia by introducing the current and future technologies to the fresh graduating students of Electronics and Computer Engineering by renowned international industry leaders. The seminar also provided a platform to have one-to-one interactions among students and industry leaders. It also provided an understanding of the internship opportunities as well as placement opportunities in renowned industries like Qualcomm, Ericsson, Honeywell, etc. The 2-day seminar also provided a platform to provide professional networking opportunities to national as well as international students with renowned industry leaders. Finally, the seminar included international speakers as well as international participants leading to exposure of national participants with the international community thereby enhancing the possibilities of international collaborations.

Summary of Sessions and Abstract of proceedings:

The department of EEE along with its IETE ISF conducted a two-day International Seminar on Innovative Industry Practices & Future Industry Skills for Electronics and Computer Engineering Graduates between 20th and 21st November 2021. Mr. **Suman Sinha** (Director Engineering at Qualcomm India Pvt. Ltd, Hyderabad), Mr. **Niladri Shekhar Dutta** (Global Director & Head Data Strategy & Execution – BMAS-MS IT & ADM, Ericsson, Sweden Stockholm) and Mr. **Sudipta Dutta** (Principal Solution Architect, Ericsson-Kolkata) were resource persons of this 2 days seminar.

On day 1 (20th Nov. 2021) 52 participants have joined the virtual seminar and on day 2 (21-11-2021) 49 participants joined the seminar. The 1st session was delivered by Mr. Suman Sinha (Director Engineering at Qualcomm India Pvt. Ltd, Hyderabad) where he discussed about the Evolution of Wireless Communication: 1G to 5G and beyond, Modern Wireless Technologies like Wi-Fi, Bluetooth, 5G network slicing, etc. Role of Qualcomm in interconnecting people, places, and devices. As well as career and internship opportunities in Qualcomm.

The second session of the seminar was delivered by the international guest speaker from Sweden (Mr. Niladri Shekhar Dutta (Global Director & Head Data Strategy & Execution – BMAS- MS IT & ADM, Ericsson, Sweden)). The speaker explained the difference between B to B and B to C perspectives and clearly explained why 5G is a B-to-B perspective. The speaker explained the role of service providers, infrastructure providers, system integrators, and handset manufacturers in deploying the full potential of 5G. Also, the adoption of 5G (in Indian context) offers a rare opportunity for India to play a part in designing an inclusive and indigenous technology, developing home grown intellectual property, and carry out designed manufacturing. Infrastructure position and data collection, data transfer and analysis, and end-application significance in 5G eco-system were also elaborately explained. The speaker highlighted the significance of data monetization by explaining that 80% of the data within the telco environment is typically unutilized and it has got huge potential to extract value out of this data.

The final session of the 2-day international seminar was delivered by Mr. Sudipta Dutta (Principal Solution Architect, Ericsson-Kolkata) where the speaker discussed about 5G as Disruption for industry, 5G architecture and its inherent federation, How is the industry adopting 5G?, 5G triangle and what does it mean for the industry, how do the telco typically monetize?, prospective 5G P & S Strategy, possible next picks and challenges.

The event feedback reflects attainment of learning outcomes and learning objectives. The feedback also reflects future learning approaches from the national as well as international participants.

Poster of the event:

A Two Day International Seminar on
Innovative Industry Practices & Future Industry Skills for Electronics and Computer Engineering Graduates
 Organized by
IETE Students' Forum and Dept. of EEE, Adamas University

Day 1 (20-11-2021, Saturday)

Session 1: 5G Data Monetization
 Hon. Speaker- Mr. Niladri Shekhar Dutta
 Global Director & Head Data Strategy & Execution – BMAS-MS IT & ADM, Ericsson, Sweden Stockholm

Session 2: Wireless Trends in Transforming Industries
 Hon. Speaker- Mr. Suman Sinha
 Director Engineering at Qualcomm India Pvt. Ltd, Hyderabad

Day 2 (21-11-2021, Sunday)

Session 1: Prospective 5G enabled Products/Services for industry
 Hon. Speaker- Mr. Sudipta Dutta
 Principal Solution Architect
 BDGS SD SDU BSS IN EZE Arch 1, Ericsson-Kolkata

Session 2: Antenna Design Considerations and Challenges for Enabling 5G and beyond Communications
 Hon. Speaker- Mr. Rajesh Chivukula
 Lead R&D Scientist at Honeywell, Bangalore

Faculty Members:
Chairman: Dr. Deependra Kumar Jha, Vice-Chancellor, Adamas University (AU)
Co-Chairman: Dr. Ashwini Kumar Sharma, Dean, School of Engineering and Technology (SDET), Adamas University (AU)
Members: Dr. Samanti Roychoudhury, HOD, Dept. of Electrical and Electronics Engineering, School of Engineering and Technology (SDET), AU; Mr. Jeet Banerjee, Assistant Prof., Electronics and Communication Engineering (ECE), SDET, AU
COORDINATORS: Student Member IETE Students Forum, Adamas University
Members: Sweta Bhattacharjee, Aniket Jana, Aditya Sankar, Sagun Chakrabarti

Workshop Registration Link: <https://forms.gle/3foH52pK31WBH31A>
 Time: 10:30 AM - 1:00 PM
 Seminar (Virtual) Platform: Zoom
 E-Certificate (from IETE Kolkata Chapter and Adamas University) will be provided to all the participants attending the Seminar on both days.

General Participant Feedback:

Sl. No.	Full Name	Kindly Your Institution/Affiliation	Kindly Your professional designation	Was this webinar interesting and informative?	How was the webinar?	Comments	Suggestion if any
1	SUBHAM ROY	Adamas University	Student	Strongly Agree	Excellent	The webinar was excellent.	No Suggestion
2	PRASHANT P PATAVAR	RV INSTITUTE OF TECHNOLOGY	FACULTY	Strongly Agree	Excellent	INSIGHTFUL SESSION	-
3	Debadeptha Kar	Adamas University	Student	Agree	Good	It was a good session.	
4	Injamul Haque	Adamas University	Student	Agree	Good	Great to have such interesting session.	
5	Munshi Jarjis Hossain	Adamas University	Student	Agree	Excellent	It was good	
6	Atrajeet Banerjee	Adamas University	Student	Agree	Good	Very helpful	
7	Balaram Chakraborty	Adamas University	Student	Strongly Agree	Excellent	It was interesting and got to know about 5g and all. Thanks a lot for the session	
8	SAYAK PAUL	Adamas University	Student	Agree	Good	It was very interesting	
9	Arijit Bhattacharya	adamas university	student	Strongly Agree	Excellent	It was nice	no
10	Swarnadeep Mukherjee	Barasat Indra Gandhi Memorial	Student	Agree	Good	Very nice webinar it was. Very much informative and interesting	No
11	Pavlov Mukherjee	Adamas University	Student	Agree	Good	It was a really informative seminar	
12	Rahul Roy	Adamas University, Barasat	Student	Strongly Agree	Excellent	This was a great seminar	Nothing
13	Ahila Taralder	Adamas	Student	Neutral	Good	This was to good. Here I know about all the network system & Y-S	
14	Subhajit Sircar	Adamas University Kolkata	Student	Agree	Excellent	It was good	
15	DEBJIT DEBNATH	Adamas University	Student	Agree	Good	It was nice	
16	Anindya Nag	Adamas University	Student	Agree	Excellent	Very nice section.	N/A
17	Nestly Abigail P. Amora	LSPU	Student	Strongly Agree	Excellent	This webinar has gave me a lot of knowledge in today's technology with regards to wireless trends	
18	ANVESHA SARKAR	Adamas University	Student	Agree	Excellent	Excellent	
19	Norris Alexis P. Amora	LSPU	Faculty	Strongly Agree	Excellent	All the speakers are very good in explaining.	I hope there are more invitation for me in the future in pa
20	Aniruth Singhia	Adamas University	Student	Strongly Agree	Excellent	Enjoyed the discussion.	
21	Beta May M. Belarmino	Laguna University	Faculty	Strongly Agree	Excellent	None	A webinar about data analytics and machine learning
22	Suman DAS	Adamas University	Student	Strongly Agree	Excellent	I am very satisfied with this session	
23	Vassem	RICE INDIA	Faculty	Disagree	Average	dadivgh	vergh
24	Sanmoy Roy	Adamas University	Student	Agree	Good	I learnt various industrial skills for the betterment of my future	
25	SHIBSANKAR SARKAR	Adamas University	Student	Agree	Good	Very good	
26	AYONIKA DAS	Adamas University	Student	Agree	Good	GOOD	No
27	Dr.Manish Shrivastava	JRN Rajasthan Vidyapeeth Uni	Faculty	Strongly Agree	Excellent	Nice and useful sessions	
28	Rosell T Aquino	Daped	Faculty	Strongly Agree	Excellent	Thanks for sharing your expertise	None
29	Dipankar Laha	Adamas University	Student	Strongly Agree	Good	It was quite nice.	
30	DEBOJYOTI DAS	ADAMAS UNIVERSITY	STUDENT	Neutral	Good	..	
31	Dishani Mandal	Adamas University	Student	Agree	Good	It was a good session, looking for this type of session in future.	
32	Streeja Swarnakar	Adamas University	Student	Strongly Agree	Excellent	It was a good session	
33	SOPHIN SAO	Human resource University	Teacher of English litera	Strongly Agree	Good	I have learned a lot from this webinar. I will join next time. Thank y	Please alert me know if you have any webinar next time.
34	Milan Halder	Technique Polytechnic Institut	Student	Strongly Agree	Excellent	all good	
35	LIEV CHUN KIN	UNIVERSITY COLLEGE	STUDENT	Strongly Agree	Excellent	overall good	
36	Mogari Sen	Adamas University	Student	Strongly Agree	Excellent	It was good	
37	DEBOJYOTI GHOSH	Academy of Technology	Student	Strongly Agree	Excellent	Thank you all to organize this type of seminar.	
38	Soumik Chatterjee	Academy of Technology	Student	Strongly Agree	Excellent	Good	
39	Mohammad Zeeshan	Jamia Hamdard University	Student	Strongly Agree	Excellent	It was good and informative

REPORT ON THE PANEL DISCUSSION ON “CAREER PROSPECTS OF PHARMACY BEYOND THE BOOKS”

Date: 3rd July 2021. Saturday

Venue: Adamas University Online (Zoom meeting)

Timing: 2:00 pm – 5:00 pm

Event name: “Career Prospects of Pharmacy Beyond the Books”

No. of Participants: 108

Meeting Link: <https://zoom.us/j/98341305108?pwd=L3hkank5ZEgyVjJkdGNnc2RiYlVNdz09>

Summary:

Department of Pharmaceutical Technology, School of Medical Sciences, Adamas University organized a panel discussion on the topic- **Career Prospects of Pharmacy Beyond the Books** on 3rd July, 2021. The program was coordinated by Dr. Sourav De, Assistant Professor, and moderated by Mr. Saptarshi Sanyal, Assistant Professor. The panelists were Mr. Arghya Dutta, Pharmacist, Indian Maritime University, Kolkata; Mr. Somnath Bhadury, Business Advisor Manager, Pharmacovigilance, Accenture Solutions Pvt. Ltd.; Dr. Ritwik Thakura, Manager Quality Assurance, Eisai Pharmaceutical India Pvt. Ltd.; Ms. Swarnalata Jordar, Senior Laboratory Assistant, CDL, Kolkata; Ms. Aditi Paul, Consultant- Life Sciences, Cognizant and Mr. Piyal Pradhan, Manager QMS in QA, Cipla Ltd.

**REPORT ON THE PANEL DISCUSSION ON
“CHANGING PARADIGM: ROADMAP TO MEDICAL LAB TECHNOLOGY-THE
DIVERSIFIED CAREER BENCHMARK”**

Date: 10th September, 2021 (Friday)
Venue: Adamas University Online (Zoom meeting)
Timing: 2:15 pm – 4:30 pm
Event name: “Changing Paradigm: Roadmap to Medical Lab Technology-The Diversified Career Benchmark”
No. of Participants: 60
Meeting Link: <https://zoom.us/j/96444337169?pwd=Z1pFRjlOMVJXOERMaXlFNUNySDlOZz09>

Summary:

The School of Medical Sciences, Department of Pharmaceutical Technology, Adamas University had organized a panel discussion with the organizing secretary Ms. Priyanka Banerjee, Assistant Professor and Moderators Ms. Srijita Sur; Assistant Professor & Ms. Srilekha Das; Assistant Professor on 17.09.2021 for Bsc MLT aspirants. The webinar helped the students acknowledge their future prospective in choosing B.Sc. MLT course as a career. The program continued from 2.15 pm - 4.30 pm. There were quite a number of students interacting through the webinar. The speakers discussed about the various topics like:

1. The importance of GLP in laboratory practice.
2. Impact of the career in the post covid era.
3. The scope and opportunities in choosing B.Sc MLT as a career.
4. The skills needed to be a successful Laboratory technician.
5. Different varieties of job in a laboratory.
6. Share your experience consulting with pathologists for diagnostic purposes.
7. Professional satisfaction in choosing B.Sc MLT as a career.
8. Changes in the laboratory techniques from early to recent past.
9. Dealings of medical lab technology.
10. Significance of BSc. MLT course in healthcare professional.
11. Responsibilities of Laboratory Technician.

Lastly, they explained the reason for pursuing this career in Adamas University. We explained about the diversified instruments and the improved lab facilities and the intensified experiments done in practical and also mentioned that practical was performed in collaboration with laboratory. The speakers and the students were both interactive. The following were the list of speakers. Mr. Bidyut Kumar Dolui, (Medical Lab Technician, NRS Medical College), Mr. Biswajit Das, (Medical Lab Technician, Government Hospital, Jagulia), and Mr. Atish Dipankar De Medical Lab Owner, (Medi Link Diagnostics, Shyambazar). The outcome of the seminar was fruitful as all questions interrogated by the students were responded well by the speakers. The students gained a clear knowledge about the objectives and benefits of pursuing a career in Adamas, the special lab facilities for practical knowledge, the future to higher studies, and the impact of pursuing B.Sc. MLT course in this pandemic. We were happy in organizing this webinar and hope to do great in the near future organizing a much better platform for the students where they get benefited through the panel discussion.

REPORT ON GUIDANCE PROGRAM FOR STATE-LEVEL JOINT ENTRANCE EXAMINATION FOR LATERAL ENTRY (JELET)

Starting Date: 17th February 2022

Platform: Canvas LMS Adamas University

Mode: Offline & Online

End Date: Ongoing program for D.Pharm 2nd-year Students

Courses names: Joint Entrance Examination for Lateral Entry (Canvas)

Time table Accommodation for JELET regular Class: The D. Pharm students of the 2nd year have a dedicated class schedule of 2 hours/week. The JELET training sessions are being conducted along with the regular D. Pharm classes.

No. of Enrolled Students: 56 Students

SUMMARY

JELET is a state-level competitive examination conducted by West Bengal Joint Entrance Examinations Board (WBJEEB) in order to provide admission to candidates in the second year of Bachelor Degree courses (four years) in Technology/Engineering/Pharmacy in Universities/Colleges of West Bengal state.

School of Pharmaceutical Technology is conducting regular training sessions for 2nd year students in parallel with their regular curricular courses. The aim of this initiative is to train our students to be able to compete for this examination (JELET) and excel in their careers.

The School is utilizing the **Canvas LMS** platform in order to upload JELET course contents and mock tests for students.

JELET MENTORS:

1. Dr. Tanmoy Guria, Associate Professor, SOPT, AU
2. Dr. Sourav De, Assistant Professor, SOPT, AU
3. Dr. Bitasta Mondal, Assistant Professor, SOPT, AU

4. Dr. Nandan Sarkar, Assistant Professor, SOPT, AU
5. Mr. Ankit Chowdhury, Assistant Professor, SOPT, AU
6. Ms. Srilekha Das, Assistant Professor, SOPT, AU

JELET- 2022

Upcoming Exam Date: 14th MAY 2022

MOCK TEST SCHEDULE AND CLASSES ON JELET:

1. JELET 2022 QUIZZES SCHEDULE ON CANVAS LMS:

Day and date	Time	Teacher	JELET EXAM
Wednesday 16.3.2022	12.10 - 1.00 pm	Dr. Tanmoy Guria / Mr. Ankit Chowdhury	Theory class (Pharm Chem I)
Saturday 19.3.2022	10.00 - 10.30 am	Dr. Tanmoy Guria/ Mr. Ankit Chowdhury	MCQ exam.
Wednesday 23.3.2022	3.30 - 4.20 pm	Ms. Ankita Dhar	Theory class (Pharmaceutics I)
Saturday 26.3.2022	10.00 - 10.30 am	Ms. Ankita Dhar	MCQ exam
Wednesday 30.3.2022	3.30 - 4.20 pm	Ms. Srilekha Das	Theory class (Pharmacology)
Saturday 02.4.2022	10.00 - 10.30 am	Ms. Srilekha Das	MCQ exam
Wednesday 06.04.2022	3.30 - 4.20 pm	Ms. Bitasta Mandal	Theory class (Pharmacognosy)
Saturday 9.04.2022	10.00 - 10.30 am	Ms. Bitasta Mandal	MCQ exam
Wednesday 13.04.2022	3.30 - 4.20 pm	Ms. Srija Sur	Theory class (Pharmaceutics II)
Saturday 16.04.2022	10.00 - 10.30 am	Ms. Srija sur	MCQ exam
Wednesday 20.04.2022	3.30 - 4.20 pm	Dr. Nandan Sarkar/ Dr. Sourav De	Theory class (Pharm Chem II)
Saturday 23.04.2022	10.00 - 10.30 am	Dr. Nandan Sarkar/ Dr. Sourav De	MCQ Exam
Wednesday 27.04.2022	3.30 pm - 5.10 pm	General Dr. Bitasta Mandal (Coordinator) Dr. Sourav De, Ms. Ankita Dhar, Ms. Chaitali Mallick, Ms. Srija Sur, Ms. Srilekha Das Dr. Tanmoy Guria	MCQ Exam

Day and date	Time	Teacher	JELET EXAM
Saturday 30.04.2022	10.00-11.30am	General Dr. Sourav De (Coordinator) Ms. Ankita Dhar Mr. Ankit Chowdhury, Ms. Pratibha Gupta, Dr. Nandan Sarkar, Ms. Chaitali Mallick, Ms. Srilekha Das.	MCQ exam
Tuesday 03.05.2022	10.00-12.00pm	General Dr. Tanmoy Guria (Coordinator) Ms. Srijita Sur Mr. Ankit Chowdhury, Ms. Ankita Dhar, Dr. Sourav De Ms. Pratibha Gupta	MCQ exam/ Doubt clearing session

Adamas University

REPORT ON

GUIDANCE PROGRAM FOR COMPETITIVE EXAMINATION ON GRADUATE PHARMACY APTITUDE TEST (GPAT)

Starting Date: 02nd September 2021

Platform: Canvas LMS

Mode: Offline & Online

End Date: Ongoing program for B.Pharm 4th Year and 3rd Year Students

Courses names: GPAT 2022 & GPAT 2023 (Canvas LMS)

Time table Accommodation for GPAT regular Class: The B. Pharm students of 3rd and 4th year have a dedicated class schedule of 2 hours/week. The GPAT training sessions are being conducted along with the regular B. Pharm classes.

No. of Enrolled Students: 69 (B.Pharm 4th Year) + 99 (B.Pharm 3rd Year) = 168 Students

SUMMARY

GPAT (Graduate Pharmacy Aptitude Test) is a national-level competitive examination conducted by NTA (National Testing Agency) in order to segregate quality pharmacy professionals for higher education. After qualifying GPAT, a B. Pharm graduate can pursue M.Pharm/M.S./M.Tech and even Ph.D. in premier institutes like IITs, NIPERs, CSIR labs, etc with a full fellowship from Govt. Institutions.

School of Pharmaceutical Technology conducts regular training sessions for 3rd and 4th year students parallel with their regular curricular courses. The aim of this initiative is to train our students to be able to compete in this examination (GPAT) and excel in their careers.

Our department is utilizing the **Canvas LMS** platform in order to upload GPAT course contents and mock test for students.

GPAT Mentors:

1. Dr. Tanmoy Guria, Associate Professor, SOPT, AU
2. Dr. Sanjay Dey, Associate Professor, SOPT, AU
3. Dr. Bitasta Mondal, Assistant Professor, SOPT, AU

4. Dr. Anwesha Barik, Assistant Professor, SOPT, AU
5. Mr. Suraj Kumar Shah, Assistant Professor, SOPT, AU
6. Ms. Pratibha Gupta, Assistant Professor, SOPT, AU

NTA – GPAT 2022

Upcoming Exam Date: 09th April 2022

Mock Test Schedule

GPAT 2022 Quizzes schedule on Canvas LMS:

Test No.	Date	Day	Subject/Topic	No. of Questions*	Total Marks
1	24th March 2022	Thursday	Pharmacognosy & Biotechnology	100	400
2	26th March 2022	Saturday	Pharmaceutics, Dispensing, Community Pharmacy & Jurisprudence	150	600
3	28th March 2022	Monday	Pharmacology & Human anatomy and physiology	100	400
4	30th March 2022	Wednesday	Microbiology	100	400
5	1st April 2022	Friday	Pharmaceutical Chemistry & Medicinal Chemistry	100	400
6	3rd April 2022	Sunday	Pharmaceutical Analysis & Biochemistry	100	400
7	4th April 2022	Monday	Full Mock Test - 1	125	500
8	5th April 2022	Wednesday	Full Mock Test - 2	125	500

SUMMARY:

The School of Medical Sciences, Department of Pharmaceutical Technology, Adamas University had organized a panel discussion on Parents pep-talk with the parents of B.Pharm 4th year (2017-2021) passed out students on 7th August 2021 for class 10+2 science students.

The panel discussion helped them acknowledge the importance of the profession and their views toward the Department of Pharmaceutical Technology. The program continued from 5.00 pm - 6.30 pm. There were quite a number of students who interacted through the panel discussion. The guardians discussed about the various topics like:

- About the department
- Guidance of faculty members
- Roles of faculty member in shaping the career of students
- Role of CDC

Lastly, the reason for pursuing this career was explained. The outcome of the panel discussion was fruitful as all questions interrogated by the students were responded well by the guardians. The students gained a clear knowledge about the objectives and benefits of pursuing the program. We were happy and pleased in organizing this panel discussion and hope to do the same in the near future. The main purpose of the panel discussion was served quite well. We believe that we were successful in encouraging students from the School of Medical Sciences, Adamas University to participate.

Report on: Academic Motivation: Concepts, Strategies, and Counselling Approaches (Career Development)

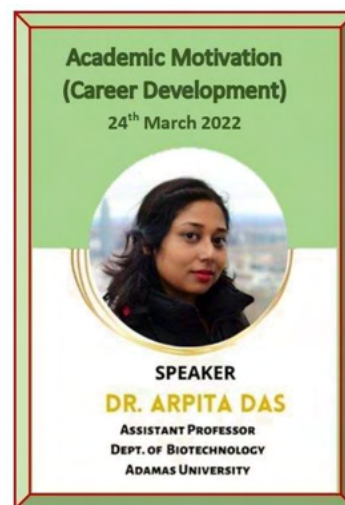

Date : March 24, 2022
Venue : Adamas University (Offline Mode)
Number of participants : 29
Name of Teacher involved : Dr. Arpita Das, Assistant Professor, Adamas University. Kolkata.

SUMMARY:

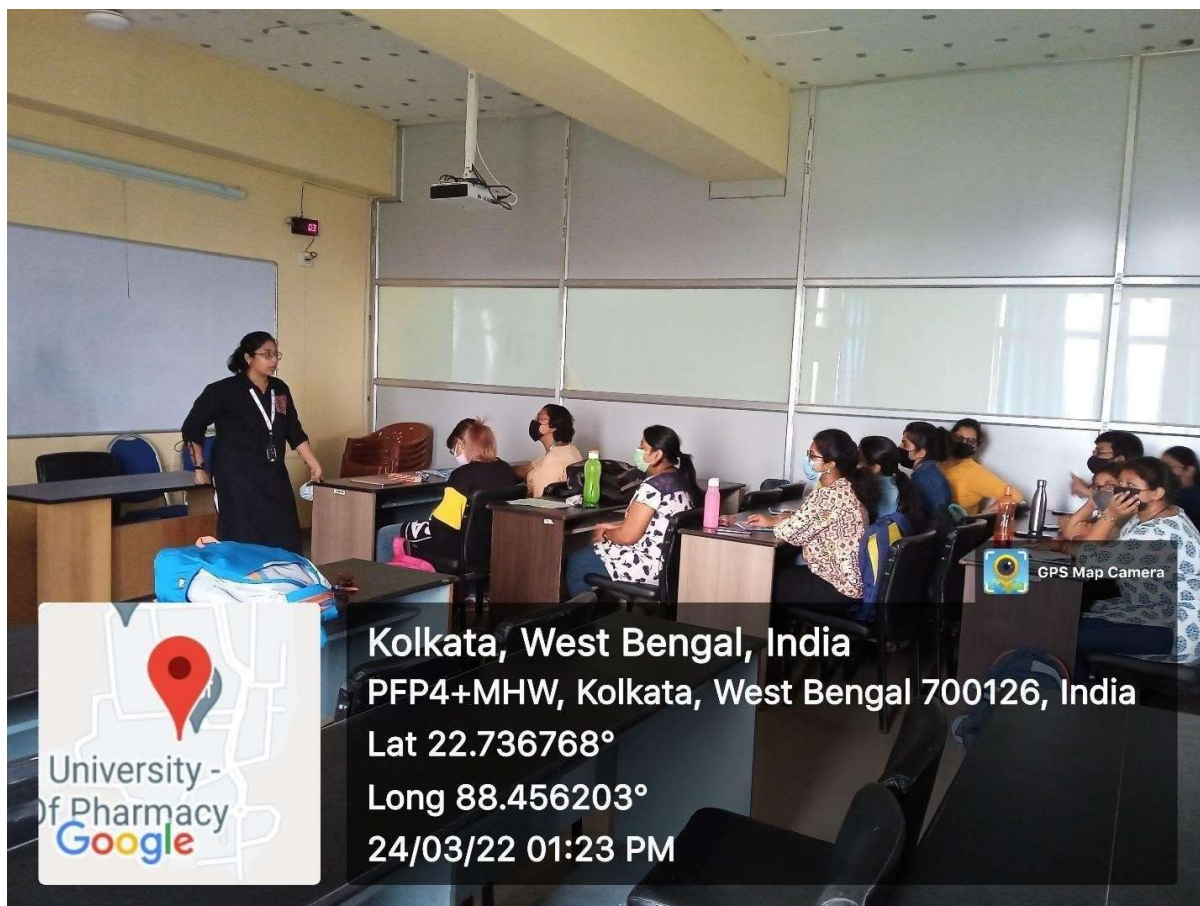

Counselling is the 'learning-oriented process that usually occurs in the interactive relationship to assist an individual with the right guidance, emotional and moral support while helping the individual seek solutions for the problems. Department of Biotechnology has arranged one counselling session for B.Sc. Biotechnology 2019-2022 Students in offline mode on 24th March 2022. Career development, a crucial aspect of human development, is the step-by-step approach through which an individual's work identity emerges. As the students navigate through this process, it can get confusing at times for them to make the decisions. Hence, they need to get assistance at the right time. 28 Student of the Sem 6 student has joined and actively participated in the session. The session was conducted by Dr. Arpita Das, who has a experiences of 7years of teaching and Research.

Career Counselling Session with the B. Tech Final Year Students

Date : March 23, 2022
Venue : Adamas University Offline)
Number of Participants : 25
Name of Speaker : Dr. Srijoni Banerjee, Assistant Professor, Department of Biotechnology, SoLB, Adamas University, Kolkata

FLYER OF THE SESSION

ABOUT THE SPEAKER:

Dr. Srijoni Banerjee

Asst. Professor, Dept. of Biotechnology, School of Life Science & Biotechnology, Adamas University, Kolkata

Doctoral Research Experience

National Renewable Energy Scholarship, by Ministry of New and Renewable Energy, Under MHRD, Govt. of India

Advanced Technology Development Centre, IIT Kharagpur, India

Research domain: Bioenergy, Computational Fluid Dynamics, Bioprocess Engineering,

TOPICS COVERED DURING THE SESSION:

- The talk was centered on the future career paths for the B. Tech Biotechnology Students of Adamas University. Importance of doing Masters and Ph.D. after doing B. Tech Biotechnology was being discussed during the session. The job prospect of future biotechnologists in India and abroad were also discussed. The probable industries that are going to recruit B. Tech Biotechnologists were being discussed also.
- There was a lot of interaction with the students and they discussed real-world questions which could help them to enter and excel in the near future.

CAREER TALK

Date : November 24, 2021
Time : 10 AM-11:30 AM
Venue : Adamas University (AU3 221)
Number of participants : 35 (B.Tech Biotechnology Sem VII students)
Name of agencies involved : Dr. Joyjyoti Das, Asst. Professor – Dept. of Biotechnology, School of Life Science & Biotechnology, Adamas University, Kolkata

SUMMARY OF THE EVENT:

The talk was centred around the career opportunities in India as well as in abroad after graduating as a B. Tech in Biotechnology.

There was a lot of interaction with the students regarding how to prepare and what opportunities to look for in academics as well as in industry.

ABOUT THE SPEAKER:

Dr. Joyjyoti Das,
Assistant Professor, Dept. of Biotechnology, School of Life Science & Biotechnology, Adamas University, Kolkata

Past Experience

Faculty – Nanoscience & Nanotechnology,
School of Interdisciplinary Studies,
University of Kalyani, Nadia

Doctoral Research

Experience Institute Research

Scholar, Dept. of

Biotechnology,

IIT Kharagpur, India

Research domain: Cancer mechanobiology, Autophagy, Nanobiotechnology

DECIPHERING THE CORPORATE INITIATING CODON AUG (Career Counselling Session)

Experience shared by Students of our school who recently joined Corporates

(A Session on career counseling Organized by Adamas Biotechnology Club & School of Life Science and Biotechnology)

Date: July 07, 2021

Venue: Adamas University, Online

Video Link: <https://drive.google.com/file/d/1DoZwGsZsC-kOEXfqdrsQMKaOO8j-W3ER/view?usp=sharing>

Number of participants: 52

The session conducted on 14th July, 2021, was based on collegecampus placements and corporate life. For this session, we had three of our very own 2021 SoLB pass outs (Kankana Banerjee, Research Associate Acadecraft; Subhdeep Dutta, Health Advisor, Healthians and Debdip Sen, Research Associate Acadecraft) who now themselves are freshers in the corporate world. This session was just an effort made towards clearing some of the doubts put forward by our placement seekers on how to cope in an industry a fresher.

Industry Dialogue: Microbiologists' prospects in Quality Assurance for Food and Drinking Water Purification Industry *(A Career Counselling Session)*

Date : October 09, 2021

Venue : Adamas University (Online)

Number of participants : 55

Name of agencies involved : Dr. Neeloy Samaddar, Manager – Operations and Quality, Ncourage Social Enterprise Foundation, Tata Chemicals Ltd.

Meeting Link: <https://tinyurl.com/IndDialog>

On October 09, 2021, Department of Microbiology, School of Life Science and Biotechnology hosted the second talk of the Industry Dialogue Webinar Series. The students that benefited the most were those in the subject of biological sciences. The session aimed to improve students' awareness of 'quality control' as a career option. Dr. Neeloy Samaddar, Manager-Operations and Quality, TATA Chemicals offered students a fundamental understanding of QC, FSSAI and HACCP guidelines, training and important stakeholders. The webinar was highly interactive. The speaker discussed the importance of QC in food and pharma. Also, he elaborated water quality control as a crucial component of industrial microbiology. Dr. Pal told the graduates and post grads about the types of opportunities that are available. A total of 54 students attended the online session. The webinar was also attended by a few freshly admitted students from the batch of 2021-2023.

About the speaker: Dr. Neeloy Samaddar, Manager- Operations and Quality, Ncourage Social Enterprise Foundation, Tata Chemicals Ltd.

Dr. Samaddar is a proclaimed QC researcher with more than 15 years of experience in Quality assurance research. He did his masters from the University of Calcutta and obtained a doctoral degree from Jadavpur University. He is serving TATA chemicals for the last 10 years as a quality assurance researcher and manager.

Report on Knowing the Law – I [Online Lecture Series]
Basics of Human Rights
(Career Counselling for Law Students)
22nd December 2021

Venue: Online (zoom)

Link:

<https://zoom.us/j/97837639171?pwd=ZGtaMnRFSnZ5RC9HZk1tYVZLNzVwZz09>

Meeting ID: 966 8623 4904

Pass-code: 991943

Schedule of the event: 11.00 am – 12 noon

Total Number Of Participants: 40

Convener: Mr. Victor Nayak, Assistant Professor, SOLJ, Adamas University

Speaker: Ms. Sarbani Bhowmick, Assistant Professor, School of Law and Justice

Organiser: School of Law and Justice, Adamas University

About the event:

Human rights are based on dignity, equality and mutual respect – regardless of one's nationality, your religion or your beliefs. These rights are about being treated fairly and treating others fairly, and having the ability to make choices about their own life. These basic human rights are, *universal, inalienable and indivisible*. This event was mainly aimed at providing a practical understanding of the subject by discussing the concepts through the lens of a layman and how the law seeks to respond. The event saw the speaker taking the audience through a number of real life situations where the basic rights of equality and freedom get violated and people being unaware about the same couldn't take proper recourse.

Outcome of the event:

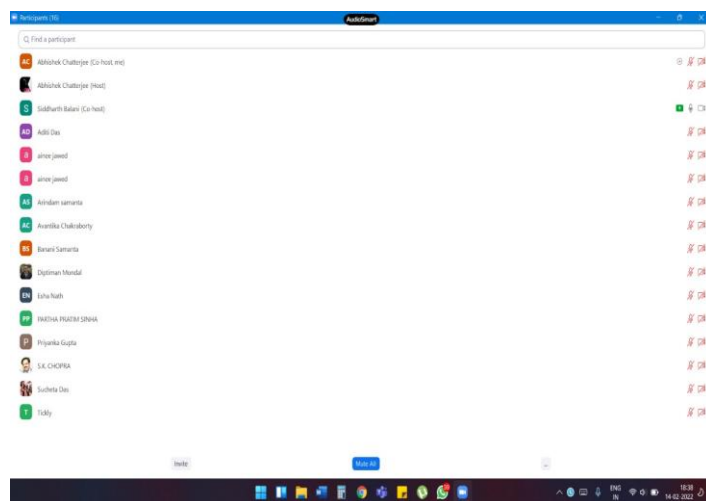

The participants after attending the event were able to understand the importance of having the knowledge of human rights. The participants raised some pertinent questions from their own experiences related to human rights violations and then they analysed how they had reacted in such situation and that after attending the event how they ought to have reacted in the same situation.

Report on
Online Panel Discussion on
Envisioning Human Rights through the Prism of
Access to Justice
(Career Counseling on Human Rights as a Career)
10th of December, 2021

Venue: Online

Link for the event:

<https://zoom.us/j/91010561936?pwd=YINDNUY4bVZabStSKzRhUnpiQ2g0QT09>

Meeting ID: 910 1056 1936

Passcode: 975358

Schedule of the event: 1:30 P.M to 3:30 P.M

Total Number Of Participants: 70

Convener: Ms. Sarbani Bhowmick, Assistant Professor, SOLJ, Adamas University

Speakers:

1. *Honourable Justice A. K. Ganguly*, Former Supreme Court Judge
2. *Prof. (Dr.) Manik Chakraborty*, Professor Emeritus of School of Law, Sister Nivedita University, Former Director Amity Law School Kolkata, Former Head of University of Burdwan
3. *Dr. Lenin Raghuvanshi*, Dalit Rights Activists, Founder - PVCHR

Organiser: School of Law and Justice, Adamas University

About the event:

Human Rights Day is observed every year on 10 December — the day the United Nations General Assembly adopted, in 1948, the Universal Declaration of Human Rights (UDHR). The UDHR is a milestone document, which proclaims the inalienable rights that everyone is entitled to as a human being - regardless of race, colour, religion, sex, language, political or other opinion, national or social origin, property, birth or other status. Available in more than 500 languages, it is the most translated document in the world.

For the purpose of the same, the School of Law and Justice, Adamas University, have organized

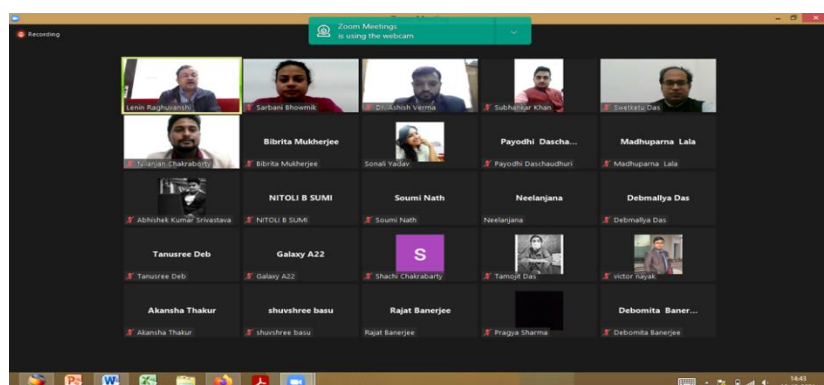

Online Panel Discussion. The purpose of a panel discussion is to spark conversation between a group of experts or industry and thought leaders, so that the audience can learn from their discourse and interaction. The panel discussion has focused on the protection and promotion of human rights in the context of peaceful protests, with a particular focus on achievements and contemporary challenges.

Outcome of the event:

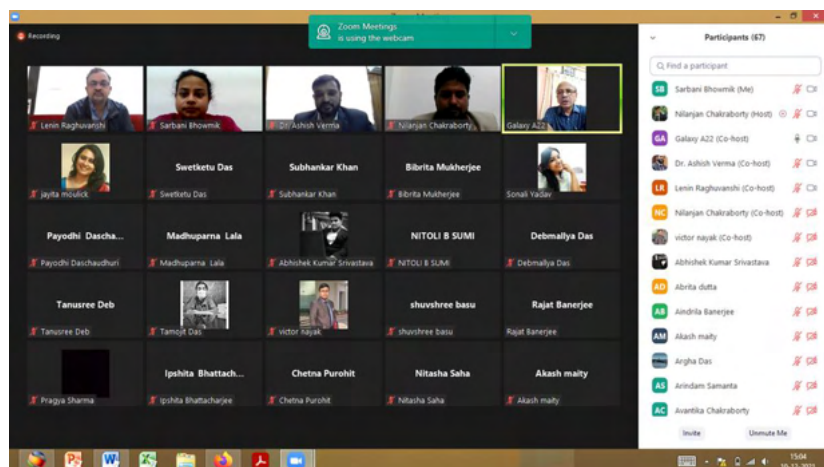

The following outcomes were realised at the completion of the event:

- Take stock of progress made in respecting and ensuring human rights in the context of assemblies, with particular attention to existing tools to assist States in the management of assemblies with due respect for human rights, and assess their effective implementation;
- Discuss emerging challenges and opportunities, such as the impact of new technologies and the online space on the rights to freedom of peaceful assembly, of expression and of association, which would require further work and clarification;
- Identify areas where further guidance and cooperation may be needed.

Report on
International Taxation - Relevance in Placement Opportunities
(Career Counselling for Law Students)
12th February 2022

Venue: Online (MS Teams)

Link: <https://teams.microsoft.com/l/meetup-join/19%3aRYt7XGOgLO3EK37wn8o6K7LT6Izq9oxsLybe7VXiE-Q1%40thread.tacv2/1644598968253?context=%7b%22Tid%22%3a%22b1703185-2d99-40e5-86e1-3a22312faf76%22%2c%22Oid%22%3a%22121cb0e6-8d16-4069-9b3f-fc222babd1dc%22%7d>

Schedule of the event: 10.30 am – 12:30 pm

Total Number of Participants: 15

Convener: Ms. Shubhi Mack, Visiting Faculty, School of Law and Justice, Adamas University

Speaker: Mr. Victor Nayak, Assistant Professor, SOLJ, Adamas University

Organiser: School of Law and Justice, Adamas University

About the event:

International taxation is the study or determination of tax on a person or business subject to the tax laws of different countries or the international aspects of an individual country's tax laws. Governments usually limit the scope of their income taxation in some manner territorially or provide for offsets to taxation relating to extraterritorial income. The manner of limitation generally takes the form of a territorial, residency, or exclusionary system. Some governments have attempted to mitigate the differing limitations of each of these three broad systems by enacting a hybrid system with characteristics of two or more. Systems of taxation vary widely, and there are no broad general rules. These variations create the potential for double taxation (where the same income is taxed by different countries) and no taxation (where income is not taxed by any country). Income tax systems may impose tax on local income only or on worldwide income.

The session was planned to update the role of lawyers in deciphering the application of international taxation law provisions in national and global jurisdictions and gain the knowledge of the various treaties and conventions that need to be applied in international trade related transactions.

Outcome of the event:

The students were able to understand the important treaties that India has entered with various jurisdictions and their practical implications. After the session the students

discussed the implications of the dispute resolution clauses in these various treaties in the context of the recent arbitration disputes that India has faced due to its taxation regime.

Photographs:

Dear Sir,

In order to prepare the students for their Placement Opportunity at Paperpedia the following steps were undertaken:

1. Identification of the core area of the Interview/Class Test - International Taxation - study material provided to the students to make them better aware of the contemporary developments of this area
2. Training of the students by identifying two core areas - knowhow of the area and the techniques (essential skill-set) for the interview - two sessions conducted in this regard; the first session was conducted to explain the key areas/concepts of International Taxation and the second session was to explain the details about writing a research paper, referencing styles, plagiarism and do's and don'ts while attempting the writing exercise as a part of the job interview
3. A third session will be conducted on 14.02.2022 which will be a doubt clearing session and a demo exercise will be given to the students to check their writing skills and also give them feedback on their attempts.

I thank Saumyajit sir for providing me with the necessary information regarding the subject details and guiding me in the process. Also, special thanks to Jayita ma'am for coordinating the activity and thanks to Sarbani ma'am for taking the Training Session 2 on 13-02-2022 and taking time to guide the students.

The attendance record is attached with the mail for record purposes.

Report on
Innovation and Entrepreneurship for Law Students: Career
Prospects and Challenges
(Career Counselling for Law Students)
24th February, 2022

Venue: Online (zoom)

Link: <https://zoom.us/j/96686234904?pwd=aElBVS9sVG9VQ0JyYmx4RW5BcVJEZz09>

Meeting ID: 966 8623 4904

Pass-code: 991943

Schedule of the event: 06:00 P.M to 7:30 P.M

Total Number Of Participants: 215

Convener: Ms. Shubhi Mack, Visiting Faculty, SOLJ, Adamas University

Speaker: Mr. Mayank, JRTC Intern (Founder)

Organiser: School of Law and Justice, Adamas University

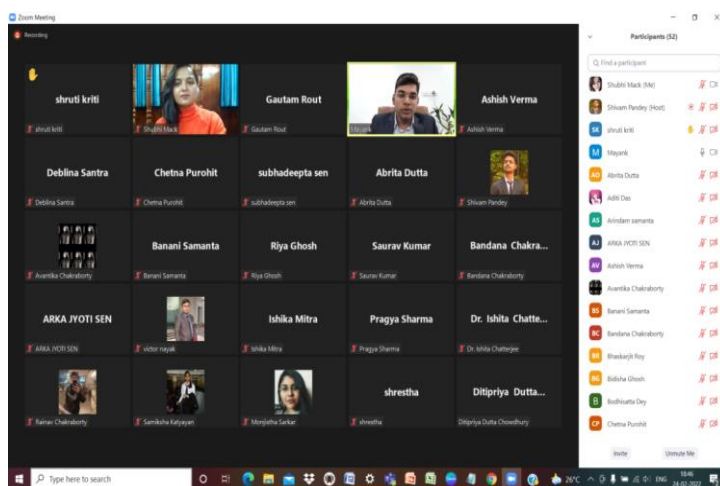

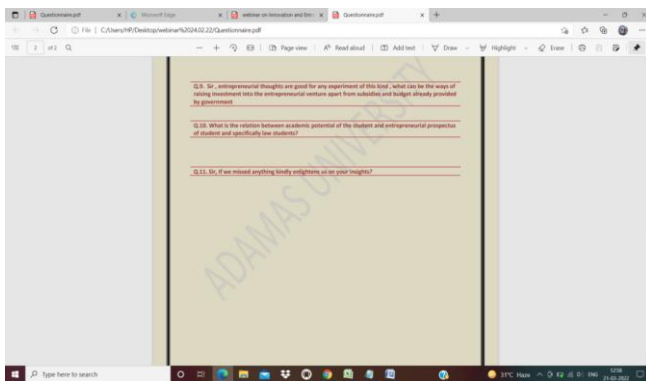

About the event:

Entrepreneurship is the act of creating a business or businesses while building and scaling it to generate a profit. The more modern entrepreneurship definition is also about transforming the world by solving big problems. Like bringing about social change or creating an innovative product that challenges the status quo of how we live our lives on a daily basis. Entrepreneurship is what people do to take their career and dreams into their hands and lead it in the direction they want.

It's about building a life on your own terms. No bosses. No restricting schedules. And no one is holding you back. Entrepreneurs are able to take the first step into making the world a better place – for everyone in it, including themselves. The webinar was with the booming entrepreneur Founder, JRTC Intern, to enlighten the students about the important aspects of entrepreneurship and how students can become and excel as young entrepreneurs in law.

Outcome of the event:

Participants were made aware of the ideas of entrepreneurship and its value in today's era, they were also told the step by step process of becoming a entrepreneur , questions like when one can start , to prepare to become an entrepreneur and what all the things

Dear Shubhi,

Thank you so much for your message. It was a pleasure connecting with you. Please find the details as requested.

Name **Mayank**
Designation: Founder, JRTC Intern.

Brief Description:

Mayank, a lawyer turned entrepreneur, started his journey in 2017. A first-generation lawyer, along with his team, has received a letter of appreciation from the former president of India, Lt. Sh. Pranab Mukherjee, former ministers, eminent lawyers and WE Foundation (Juris Law Offices), New Delhi for this noble initiative (JRTC Intern) and the idea of giving back to the legal fraternity was of paramount consideration. JRTC Intern is the winner of the first cohort of "Prarambh", India's first legal tech incubator by Cyril Amarchand Mangaldas, Runners up at ASSOCHAM Startup Launchpad Series, 2020, Dehradun chapter and currently incubated at Center for Legal Innovation, Australia. He follows Harvard Business School (Online- HBX) for updating Management knowledge, knack to play badminton, go for trekking and reading non-fictional book, one of the best books read is "The Fountain Head".

Please let me know if this works and anything else required from my end.

Thanks
Regards

Mayank
CEO | JRTC Intern

**Report on Virtual Webinar on
The Global Impact of pandemic on Competition Law and
the future trends of Competition Law
(Corporate Lecture Series -I)
(Career Counselling Session)
25th March, 2022**

Venue: Online (zoom)

Link:

<https://adamasuniversity-acin.zoom.us/j/98322311509?pwd=cWhvcEtXOHg3MDVVMQ3p>

Meeting ID: 983 2231 1509

Pass-code: 097212

Schedule of the event: 2:30 P.M to 4:30 P.M

Total Number Of Participants: 55

Coordinator: Mr. Victor Nayak, Assistant Professor, SOLJ, Adamas University

Speaker: Ms. Shavena Racheal Meston, Legal Counsel at BRF Limited, Dubai, United Arab Emirates (UAE)

Organiser: School of Law and Justice, Adamas University

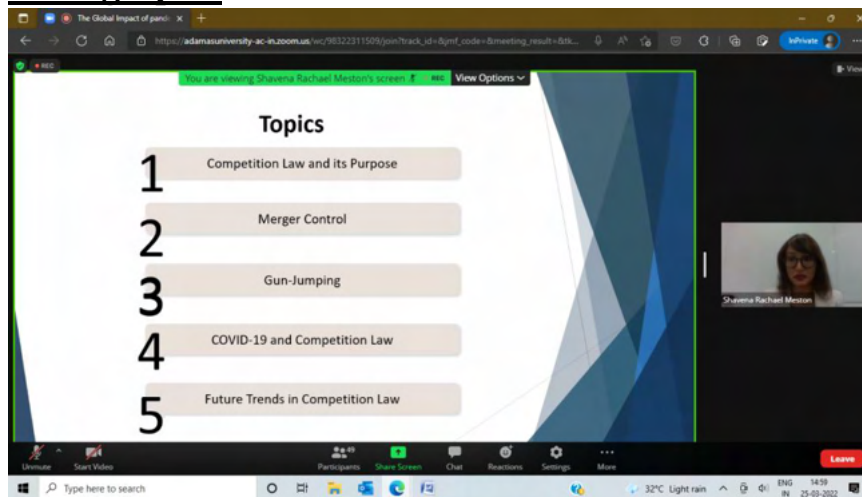

About the event:

With the national lockdown in place, all businesses were forced to shut down and the only activity permitted was what came within the realm of essential services/ commodities – such as grocery stores, chemists, banks (ATMs). The Competition Commission of India also stepped in to issue an advisory to Business in times of Covid-19, aimed to serve as a deterrent to erring businesses indulging in rampant exorbitant increase in prices of certain essential commodities. The Covid-19 crisis has had a significant and unprecedented impact on antitrust enforcement, with divergent approaches being taken around the world. As the situation continues to unfold, this webinar will guide you through the key approaches taken to the crisis by antitrust regulators around the world and discuss its impact on future antitrust policy and practice.

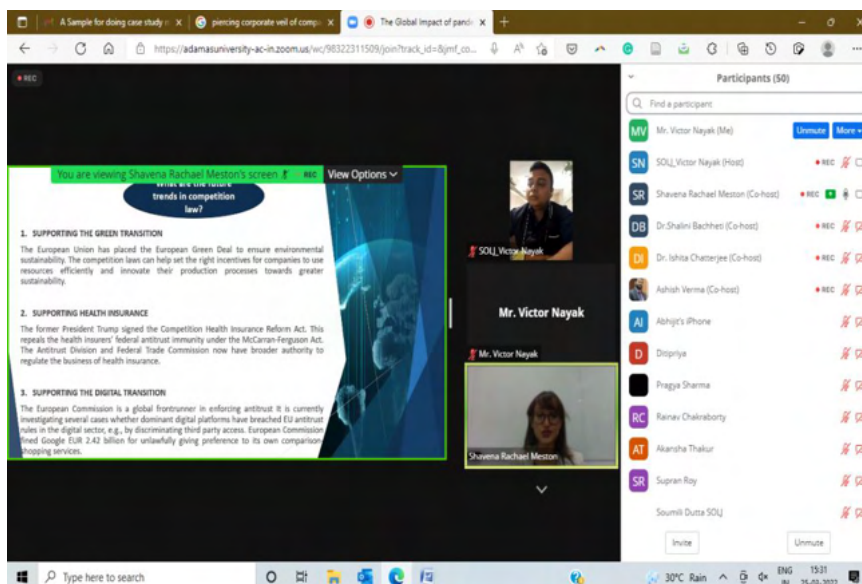

Outcome of the event:

Students have learnt about the contemporary issues affecting this exciting area. Student's apprised of changes for jurisdiction thresholds, the role of data in merger control, the impact of the Neo Brandeis movement, the application of Competition Law to smart contracts, blockchain, virtual competition and role of algorithms, as well as the interface between privacy and competition law.

Report on
Legal aspects of Contract Management
(CAREER COUNSELLING SESSION ON CONTRACT LAW)

Date	: 22nd February, 2022
Venue	: Room No. 006, AU-III, Adamas University, School of Law and Justice (AU-III)
Number of Participants	: 30
Name of the Speaker	: Mr. Victor Nayak, Assistant Professor, School of Law and Justice, Adamas University.
Name of the Convenor	: Ms. Sarbani Bhowmik, Assistant Professor, School of Law and Justice, Adamas University.

About the event:

Legal contract management - is the process of managing the flows of contracts held between a company and its clients/a legal department and other divisions in a corporation. Elements of contract management include contract creation, negotiation, adherence, service level agreements, and documentation.

“The effective contract management process acts as a safeguard against all sorts of legal actions by successfully and timely fulfilling all the requirements.”

Legal project management and contract management are now critical to managing various legal processes and satisfying clients at scale. Without a streamlined administrative process, it is almost impossible for legal teams to complete all their arrangements successfully.

The purpose of this expert talk was to give the insight to the future lawyers about a key area of drafting that they will need to undertake when they have to draft any contract be it as a professional working in individual capacity or for any corporate body.

Objectives

The capsule course aimed to:

- (1) engage students in understanding the nuances of contract drafting
- (2) develop understanding of the various clauses in a contract
- (3) analyse the changing facets of contract management and its relationship with technology

Outcome of the event:

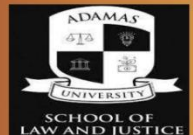

1. Develop better clarity and understanding on the practical aspects of law of contract
2. Better preparedness for drafting the clauses of a contract with a clarity about the relevance of the clauses
3. Develop the skill to draft contracts after identifying the need and ways to streamline its management.

Convener: Mr. Victor Nayak, Assistant Professor, SOLJ, Adamas University

Speaker: Ms. Sharbani Bhowmick, Assistant Professor, SOLJ, Adamas University

Organiser: School of Law and Justice, Adamas University

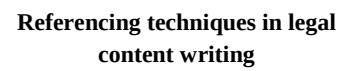

About the event:

Legal writing is the type of writing used for documents that relate to legal matters. This includes briefs, contracts, memorandums, motions, and more. The purpose of legal writing is usually to persuade; the tone and style one uses depends on for whom the writing is for. As a legal writer, one should be able to switch between the legalese required for officials such as a judge and plain language required for a client. Legal writing is one of the most necessary and important skill required for all legal professionals. From paralegals to lawyers to secretaries, legal writing is applicable to every legal professional. The main aim of the event was to impart the technical knowhow of legal writing to the participants and the nitty-gritty of legal writing. The speaker in the session provided some important tips of legal writing such as *knowing the purpose, creating outlines, use jargon only when appropriate* etc. In the session the speaker used practical tools to demonstrate the manner in which legal writing needs to be done including the tools of doing proper research which is an equally important tool of legal writing which has to be concise and devoid of any kind of ambiguities.

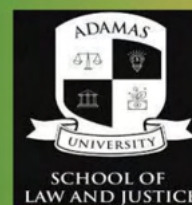

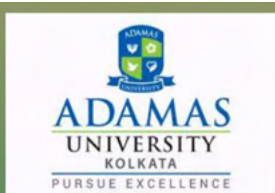

Outcome of the event:

At the conclusion of the event the participants were able to learn the important skills of legal content writing and the manner in which legal research should be done. At the

Dear Sir,

In order to prepare the students for their Placement Opportunity at Paperpedia the following steps were undertaken:

1. Identification of the core area of the Interview/Class Test - International Taxation - study material provided to the students to make them better aware of the contemporary developments of this area
2. Training of the students by identifying two core areas - knowhow of the area and the techniques (essential skill-set) for the interview - two sessions conducted in this regard; the first session was conducted to explain the key areas/concepts of International Taxation and the second session was to explain the details about writing a research paper, referencing styles, plagiarism and do's and don'ts while attempting the writing exercise as a part of the job interview
3. A third session will be conducted on 14.02.2022 which will be a doubt clearing session and a demo exercise will be given to the students to check their writing skills and also give them feedback on their attempts.

I thank Saumyajit sir for providing me with the necessary information regarding the subject details and guiding me in the process. Also, special thanks to Jayita ma'am for coordinating the activity and thanks to Sarbani ma'am for taking the Training Session 2 on 13-02-2022 and taking time to guide the students.

The attendance record is attached with the mail for record purposes.

Total No. of Participants: 66 (undergraduate students of SOLJ)

ORGANIZED BY: School of Law and Justice, Adamas University

About the event

Studying the various courses of law in the course of five years can be enriching as well as taxing and in the course of law study it often becomes imperative to revise and brush up the important skills learnt in the course of studying these important subjects which are very much core to any legal practice that a person may take up in the near future.

Dr. Ashish Verma, Associate Dean of SOLJ, Adamas University was instrumental in identifying the need for this course and with the coordination of Ms. Jayita Moulick the program saw participation from across the semester including second year students.

Objectives

The capsule course aimed to:

- (1) engage students in relearning the core papers of law from industry experts
- (2) dissipation of knowledge in a precise and concise fashion on the various core legal papers
- (3) develop better clarity and understanding on these law papers which will help them to be better prepared for the various competitive exams

Outcome of the event:

1. Develop better clarity and understanding on the core law papers
2. Better preparedness for the various competitive exams such as Bar Council of India Examination, Judiciary Preparation, CLAT etc
3. Revision of key concepts of law with industry and academic experts

Subject: Invitation for course capsule

Dear Sir,

We at School of Law, Adamas University, are organizing a capsule course for all our students wherein lectures will be delivered on the basic fundamental concepts of some of the core law papers. This will be organized from 27th Jan- 19th Feb, 2022, on all days including Saturdays but excluding the Sundays falling in between, from 6pm-9pm. We would like to invite you for delivering a 4 hrs. lecture on Company Law, which shall be divided into two days. For this purpose, I request you to give me three days of your choice falling between 27th Jan - 19th Feb, so that we may select two days and schedule your lectures accordingly.

We would like to thank you in advance for already agreeing to provide your valuable contribution to this course and we would like to convey our heartfelt gratitude to you in advance. We know that thanking you would be too little so we are going to give an honorarium of Rs. 1000/- per hour. I shall wait for your response.

Warm regards,
Jayita Moulick
Assistant Professor

Report on
Youth Talk on Women Entrepreneurship : Challenges
and Opportunities
(Career Counselling on Entrepreneurship)

Date of the event: 8th March, 2022

Venue: Online

Schedule of the event: 6:00 P.M to 7:30 P.M

Total Number Of Participants: 55

Convener: Ms. Ditipriya Dutta Chowdhury, Assistant Professor, SOLJ, Adamas University

Speaker: Dr. Juhi Garg, She is the Founder and Managing Director of DivIn Pro and the State President Uttarakhand start-up council of WICCI

Organiser: School of Law and Justice, Adamas University

About the event:

Entrepreneurship is the act of creating a business or businesses while building and scaling it to generate a profit. The more modern entrepreneurship definition is also about transforming the world by solving big problems. Like bringing about social change or creating an innovative product that challenges the status quo of how we live our lives on a daily basis. Entrepreneurship is what people do to take their career and dreams into their hands and lead it in the direction they want. It's about building a life on your own terms. No bosses. No restricting schedules. And no one is holding you back. Entrepreneurs are able to take the first step into making the world a better place – for everyone in it, including themselves. The Webinar was with Dr. Juhi Garg as our guest speaker. She is the Founder and Managing Director of DivIn Pro and the State President Uttarakhand start-up council of WICCI, and she would be sharing her insights on the topic.

Outcome of the event: Participants were made aware of the ideas of entrepreneurship and its value in today's era , they were also told the step by step process of becoming a entrepreneur , questions like when one can start , to prepare to become an entrepreneur and what all the things needs to be done in order to start early and succeed early . What

are the pros and cons of becoming an entrepreneur and how it is better or bad from being into job or service.

Subject: Opening statement and questionnaire for Youth Talk on Women Entrepreneurship-Challenges and Opportunities

Dear Sir,

Please have a look at the opening statement and questionnaire prepared for the Youth Talk on Women Entrepreneurship-Challenges and Opportunities:

Ditipriya: A very good evening to one and all present here. School of Law and Justice, Adamas University, has organized a youth talk on Women Entrepreneurship to acknowledge the Challenges and discover the Opportunities because we all get to witness the success stories but barely get to know the hard work that goes into being successful.
(A brief about International Women's Day)

We have our Hon'ble Associate Dean, Prof. (Dr.) Ashish Verma Sir, respected HOD Ma'am, Prof. (Dr.) Ishita Chatterjee Ma'am and all other faculty members and our students with us here.

Today we have gathered to welcome Dr. Juhi M Garg as our guest speaker. She is the Founder and Managing Director of DivIn Pro and the State President Uttarakhand start-up council of WICCI, and she would be sharing her insights on the topic.

Now, I would like to invite Prof. (Dr.) Ashish Verma Sir, our Hon'ble Associate Dean to say a few words.
(Welcome note by Sir.)

3. Questionnaire

Questions from Students:
1. What are the milestones we need to cross to become an entrepreneur?
2. What are the most common challenges that a woman aspiring entrepreneur faces? And how one may deal with them?
3. What advice would you give to someone who is trying to become an entrepreneur?
4. What leadership traits and characteristics do you feel are required in your pursuit of excellence in your field of expertise?
5. When we get down on the field to actually do the jobs and get our hands dirty, what should we keep in mind? How do you suggest we cope with the negative traits that have, unfortunately, seeped into the current generation of teenagers?
6. Most female business owners who have attended networking events can relate to this scenario: You walk into a crowded seminar and can count the number of women there on one hand. When women entrepreneurs talk business with primarily male executives, it can be unnerving. In this sort of situation, women may feel as though they need to adopt a stereotypically "male" attitude toward business. How can we defy social expectations?
7. There is this unsaid rule that women all over the world are expected to take care of their home as well as manage a successful business. Finding the right balance between them is essential but unfortunately, in our

society, a woman is required to give more importance to her family rather than her career. How can we create a perfect balance here?
8. Share any personal experience as to how you overcame the challenges faced by you as a women entrepreneur.
9. If I or my friends want to be an entrepreneur, what should we be doing, how should we start?
10. How can college or Govt. help us deal with the challenges that are commonly faced by aspiring entrepreneurs?
11. What is the right age and time to begin the entrepreneurial journey?

**Report of the Virtual Webinar on
Tort Law and Consumer Protection Act 2019
(Career Counselling Session on Tort Law)
17th February, 2022**

Venue: Online (zoom)

Link:

<https://zoom.us/j/98564622630?pwd=UHpkTFI2VE1xY1dYYVZ0MnV1c2lBUT09>

Meeting ID: 985 6462 2630

Passcode: 044369

Schedule of the event: 6:30 P.M to 8:00 P.M

Total Number Of Participants: 60

Coordinator: Ms. Jayita Moulick, Assistant Professor, SOLJ, Adamas University

Speaker: Mr. Victor Nayak, Assistant Professor, SOLJ, Adamas University

Organiser: School of Law and Justice, Adamas University

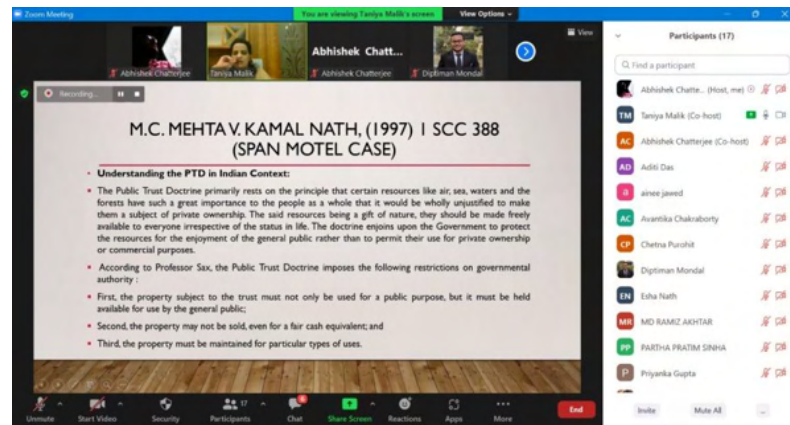

About the event:

The aim of the session was to discuss the practical ramifications of torts law and its use in litigation in India as unlike UK India does not recognise tort law as a separate branch of law. In this context the speaker aimed to highlight the interplay of tort law with the other disciplines of law such as environmental law, company law, motor vehicles act etc. The session in the second part highlighted the major changes that have occurred with the enactment of the Consumer Protection Act, 2019 and the likely impact of the enactment upon the present consumer law in India.

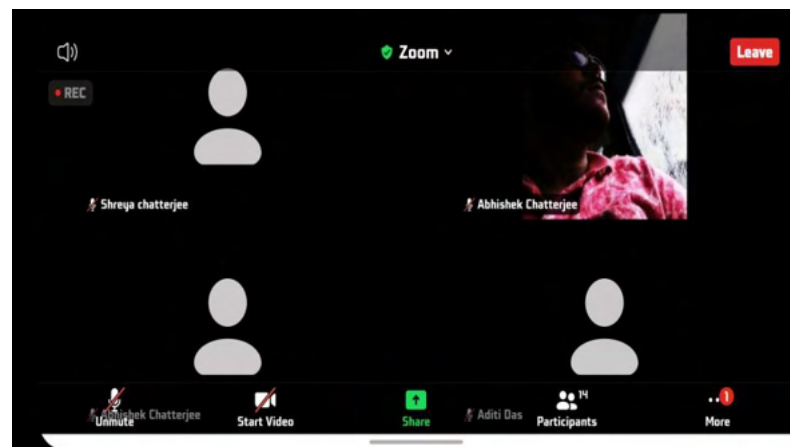

Outcome of the event:

The participants were able to understand the application of Tort Law wrt Indian legal landscape. They were able to correlate between the various legal provisions under different legislations which embody the principles of tortious litigation. The participants through experience sharing were able to apply the understanding of the legal provisions of Consumer Protection Act 2019 upon the various real life instances that were shared with the students for their clear understanding of the problems.

ANNEXURES

I. Email Correspondence Copy

The screenshot shows an Outlook email window. The email is from Jayita Moulick (jayita.moulick@adamasuniversity.ac.in) to Jayita Moulick. The subject is "Invitation for the capsule course". The body of the email contains the following text:

Dear Madam,

We at School of Law, Adamas University, are organizing a capsule course for all our students wherein lectures will be delivered on the basic fundamental concepts of some of the core law papers. This will be organized from 27th Jan- 19th Feb, 2022, on all days including Saturdays but excluding the Sundays falling in between, from 6pm-9pm. We would like to invite you for delivering a 2 hrs. lecture on Hindu Law, which shall be conducted on a single day. For this purpose, I request you to give me three days of your choice falling between 27th Jan- 19th Feb, so that we may schedule your lectures accordingly.

We would like to thank you in advance for already agreeing to provide your valuable contribution to this course and we would like to convey our heartfelt gratitude to you in advance. We know that thanking you would be too little so we are going to give an honorarium of Rs. 1000/- per hour. I shall wait for your response.

Warm regards,
Jayita Moulick

GLIMPSE OF THE SESSION:

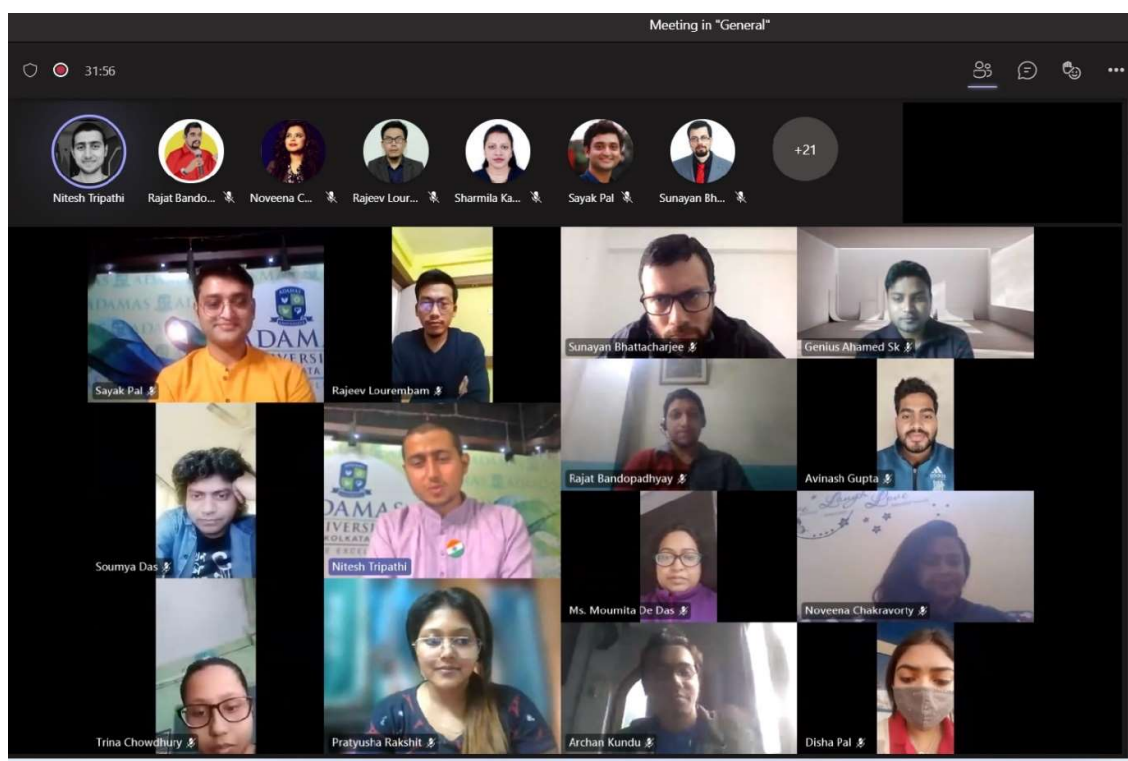

Figure 2: Students attending the career counselling session

ABSTRACT OF PROCEEDINGS:

A career counselling session was held in the School of Media and Communication. The speaker was Manushree Maity who emphasized the identifiability factor to enthuse the students. She has won multiple laurels for the school through her films and is currently working as an SEO content and Web analyst and is doing well in her job sphere. Manushree was welcomed by our HOD of Journalism department, Dr. Sunayan Bhattacharjee. Manushree talked at length about her experiences in the University and how she was able to learn the required skills. She advised the students to be more patient and determined from the beginning as building up a career requires a lot of time and dedication. She asked them to be devoted and plan their career path from an initial stage and carefully carve their path ahead.

Also, she made the students aware of the different paths they could take after pursuing their course in mass communication. She also made them aware about the work she is doing and the way in which the industry runs. She acquainted the students with the work pressure and the dynamics of the newsroom, based on her experience which she has gathered from her experiences in the industry. The students interacted with her and she clarified all their doubts. The session ended with a thank you note by Dr. Sunayan Bhattacharjee and all the faculty members.

REPORT OF ROAD AHEAD IN PRINT MEDIA *Career Counselling Session #2*

Organized by: School of Media and Communication

Date & Time: 29/09/2021

Mode of Delivery: Online

Platform: MS Teams

No. of Participants: 56

SUMMARY OF SESSIONS

Sl. No.	Resource Person with Details	Topic	Major Insights
1.	Name: Shashwat Gupta Roy Designation: Associate Professor and Ex - Editor, Gomantak Times, Goa	Career Counselling, Industry insights	• Career options after completing UG/PG degree • Selection of the right career option • Industry scenario and work-life • Knowledge of Print Media

Abstract of Proceedings:

A career counselling session was held in the School of Media and Communication. The speaker was Mr Shashwat Gupta Ray, who has many years of experience of being the editor of Gomantak Times and is also an Associate Professor at Adamas University. He emphasized the identifiability factor to enthuse the students. He talked at length about his experiences at various news organisations and how he was able to learn the required skills. He advised the students to be more patient and determined from the beginning as building up a career requires a lot of time and dedication. He asked them to be devoted and plan their career path from an initial stage and carefully carve their path ahead.

Also, he made the students aware of the different paths they could take after pursuing their course in mass communication, especially in a news organisation. He also made them aware of the work he is doing and the way in which the industry runs. He acquainted the students with the work pressure and the dynamics of the newsroom, based on his experiences which he has gathered from his experiences in the industry. The students interacted with him and he clarified all the doubts. Being an expert in the field of journalism, he explained to the students about the different beats and how they should be selected as per one's interest and passion.

TESTIMONIAL

1. Soumyashikta Sen: We got to know a lot of things. I would wish to attend more such sessions.
2. Soumyajit Dutta: It was good to get some knowledge from sir. It was very much required. I have also completed an internship under him when he was the editor of Gomantak Times in Goa.

GLIMPSE OF THE SESSION:

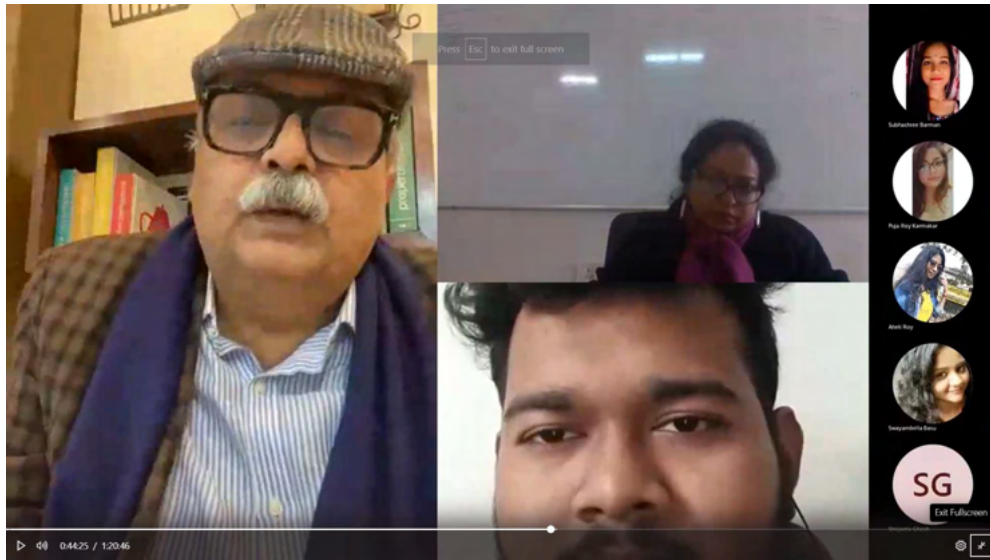

Figure 2: Students attending the career counselling session

ABSTRACT OF PROCEEDINGS:

A career counselling session was held in the School of Media and Communication. The speaker was Dr. Mrityunjoy Chatterjee, a veteran journalist, an esteemed educationist, who also mentors students at Adamas University. He was welcomed by the Assistant Professor of the Journalism department Ms. Moumita De Das. He talked at length about his experiences at various broadcast media and how he was able to learn the required skills. He advised the students to be more patient and determined from the beginning as building up a career requires a lot of time and dedication. He asked them to be devoted and plan their career path from an initial stage and carefully carve their path ahead.

Also, he made the students aware of the different paths they could take after pursuing their course in mass communication, especially in a broadcast media. He also made them aware of the work he is doing and the way in which the industry runs. He acquainted the students with the work pressure and the dynamics of the newsroom, based on the experience which he has gathered from industry. The students interacted with him and he clarified all their doubts. Being an expert in the field of journalism, he explained to the students about the different beats and how they should be selected as per one's interest and passion. The session ended with a thank you note by Ms. Moumita De Das and all the faculty members.

Convenor: Swati Chandak, Assistant Professor, School of Media and Communication, Adamas University (AU), Kolkata.

	REPORT ON ROAD AHEAD: POLITICAL COMMUNICATION <i>Career Counselling Session #3</i>	
---	---	---

Organized by: School of Media and Communication

Date & Time: 15/12/2021

Mode of Delivery: Online

Platform: MS Teams

No. of Participants: 56

SUMMARY OF SESSION:

Sl. No.	Resource Person with Details	Topic	Major Insights
1.	Name: Prof. Jayanta Ghoshal Designation: Professor and Veteran Journalist	Career Counselling, Industry insights	• Career options after completing UG/PG degree • Selection of the right career option • Preparation for interviews • Industry scenario and work-life

FLYER OF THE SESSION:

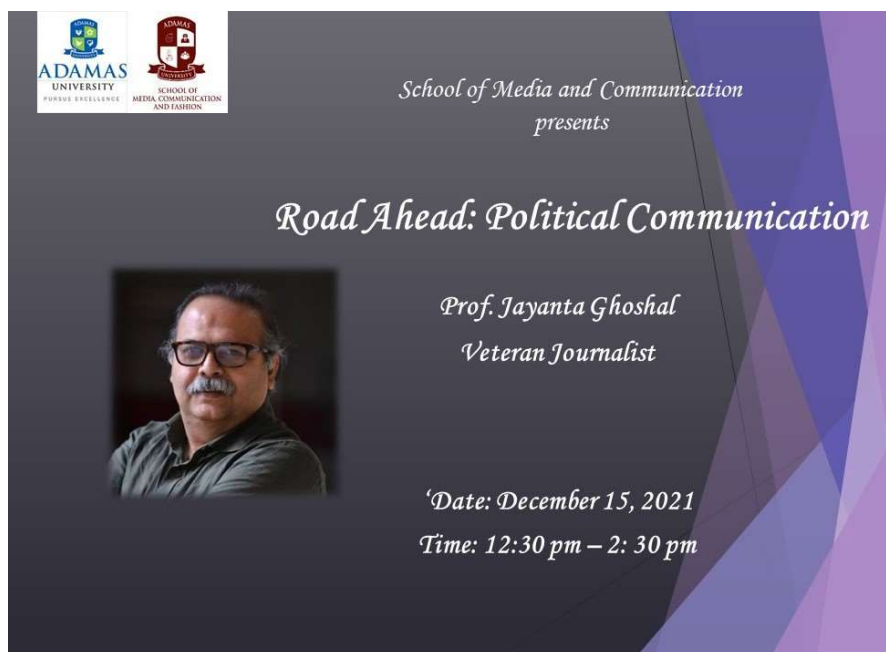

Figure 1: Flyer of the session

GLIMPSE OF THE SESSION:

Figure 2: Students attending the career counselling session

ABSTRACT OF PROCEEDINGS:

A career counselling session was held in the School of Media and Communication. The speaker was Mr Jayanta Ghoshal, a veteran journalist who also mentors students at Adamas University. He was welcomed by the Assistant Professor of the Journalism department Ms. Moumita De Das. He talked at length about his experiences at various news organisations and how he was able to learn the required skills. He advised the students to be more patient and determined from the beginning as building up a career requires a lot of time and dedication. He asked them to be devoted and plan their career path from an initial stage and carefully carve their path ahead.

Also, he made the students aware of the different paths they could take after pursuing their course in mass communication, especially in a news organisation. He also made them aware of the work he is doing and the way in which the industry runs. He acquainted the students with the work pressure and the dynamics of the newsroom, based on the experience which he has gathered from industry. The students interacted with him and he clarified all their doubts. Being an expert in the field of journalism, he explained to the students about the different beats and how they should be selected as per one's interest and passion. The session ended with a thank you note by Ms. Moumita De Das and all the faculty members.

Convenor: Dr. Sharmila Kayal, School of Media and Communication, Adamas University (AU), Kolkata.

ABSTRACT OF PROCEEDINGS:

A career counseling session was held in the School of Media and Communication. The speaker was Dr. Mrityunjoy Chatterjee, a veteran journalist, an esteemed educationist, who also mentors' students at Adamas University. He was welcomed by the Assistant Professor of the Journalism department Ms. Moumita De Das. He talked at length about his experiences at various broadcast media and how he was able to learn the required skills. He advised the students to be more patient and determined from the beginning as building up a career requires a lot of time and dedication. He asked them to be devoted and plan their career path from an initial stage and carefully carve their path ahead.

Also, he made the students aware of the different paths they could take after pursuing their course in mass communication, especially in broadcast media. He also made them aware of the work he is doing and the way in which the industry runs. He acquainted the students with the work pressure and the dynamics of the media, based on the experience he has gathered from industry. The students interacted with him and he clarified all their doubts. Being an expert in the field of broadcast journalism, he explained to the students about the nuances of the subject and how they should be selected as per one's interest and passion. The session ended with a thank you note by all the faculty members.

Convenor: Dr. Sharmila Kayal, School of Media and Communication, Adamas University (AU), Kolkata.
