“Building Educators For The Next Generation  
Of Excellence Seekers”

Adamas University offers a transformative educational experience that emphasizes curiosity, creativity and collaboration, helping students to reach their professional goals.

Adamas University's School of Education provides innovative and nationally-recognized teacher preparation programs through collaborative partnerships, ground-breaking research that is balanced with field experiences in real-world settings. Through our constant vigour to improve learning and teaching, we help students, educators, policymakers, parents and institutions to make headway in areas that were once out of reach. By strengthening programs and creating new initiatives, we envision a world where students are prepared to thrive in a dynamic future.

## Excellence Is In Our DNA

One of Eastern India's top-ranked private universities by ASSOCHAM and ABP, the School of Education at Adamas approaches learning that is intertwined with health, wellness, and human development. We offer an ideal environment for student learning that is committed to educational equity. We teach, we dream, we lead with integrity that supports the well-being of all our students.

## The Adamas Advantage

---

### Dynamic & Industry Ready Curriculum

Innovative and academic-industry endorsed curriculum in accordance with NCTE standards best suited for students who have varied academic interests geared towards preparing ambitious minds for diverse and dynamic careers in education and beyond.

### National and International Exposure

Seminars, workshops and exchange programs held at the national and international levels with renowned educationists that emphasise skill-building and special training by instructing students in higher classes meeting the objective of delivering holistic and experiential learning.

### Student Mentoring System

Every student has access to rich and diverse faculty with a broad spectrum of industry experience who provide continuous mentorship via Q&A and one-on-one sessions, email guidance and more.

### Facilities & Infrastructure

Adamas University provides a unique 120 acres campus experience to its students through its state-of-the-art facilities and cutting-edge infrastructure.

### Beyond Classroom Learning

Cutting-edge teaching methodologies including case studies, field studies, seminar presentation and e-learning that is supplemented with internships, community outreach projects and cross disciplinary resource library.

### Career Development

The Career Development Cell (CDC) at Adamas regularly organises recruitment drives with various service industries, core sector organizations, PSUs, and well-known private establishments.

## Dr Shauli Mukherjee

Director, School of Education

With a purposeful career in the education space spanning over more than 20 years, Dr Shauli Mukherjee has dedicated her life towards the promotion of child-centric and activity-oriented education. A passionate educationist with a background in setting up and leading new age K- 12 schools, Dr Mukherjee had been the Founder Principal of Adamas World School and STEM World School, the first STEM school in West Bengal. Under her inspiring leadership, STEM World School had been ranked and awarded as the 2<sup>nd</sup> best International Day School in West Bengal by Education World.

The School of Education at Adamas University nurtures and develops the future leaders for the diverse educational contexts of 21st Century who would be holistically equipped to address the globally complex educational issues. The School is committed to addressing the social determinants of education, support diverse learners, advancing equity and social justice.

## Students Speak

### Ayesha Mukherjee

B.Ed

“The faculty in the School of Education at Adamas University are extremely cooperative, always willing to lend a helping hand. I had the opportunity to take up a 3-month internship which helped me understand that I am fully ready to take up a career as a teacher. The university and my teachers helped me to become what I am today and for that, I will always remain indebted to the institution. Thank you, Adamas.”
