

School of Law & Justice

“Preserving Values Enshrined In The Constitution Of India”

Adamas University offers a transformative educational experience that emphasizes curiosity, creativity and collaboration, helping students to reach their professional goals.

Adamas University's School of Law and Justice focuses on the study of judicial systems that goes beyond the courtroom with our faculty who are leading scholars and top experts in their fields. They drive the conversation on topical issues of the day, gaining a deeper understanding of real-world problems. We train students to think critically and creatively—skills you need to succeed, whether you plan to practice in a firm, start your own business, or devote yourself to public service.

Excellence Is In Our DNA

Ranked as the best private university in Eastern India by ABP and ASSOCHAM, Adamas is at the forefront of interdisciplinary research and teaching, mentoring and collaborating with students making them ready for a lifetime of professional success.

The Adamas Advantage

Global Education

Students become well-versed in best practices by truly immersing themselves in global learning through international summer school programs, interacting with foreign exchange students and an opportunity learn from an international faculty.

Dynamic & Industry Ready Curriculum

Through elaborate moot court sessions and debates and other practical learning methods, students are not only prepared for competitive exams, but also acquire skills critical to real-life legal work.

Mentorship Under Experienced Faculty

Students are guided and mentored by an experienced faculty with real-life professional experience that includes retired judges, senior advocates and former Vice-Chancellors of National Law Universities.

Soft Skill Development

Sound theoretical knowledge is perfectly balanced by sessions on soft skills development that forms a crucial part in the legal professional's toolkit, a key to an enriching legal career.

Industry Visits

Students get the opportunity to see legal structures and bodies in action throughout their course by regularly visiting courtrooms, FSLs, Hospitals, NGOs, Legal Services Clinics, Lok Adalats, Correctional Homes, Prisons, and more.

Facilities & Infrastructure

Adamas University provides a unique 120 acres campus experience to its students through its state-of-the-art facilities and cutting-edge infrastructure.

Career Development

ADAMAS provides confidential and impartial careers information, advice and guidance to law students at all levels and stages of their studies and across all employment sectors.

Prof. (Dr.) Kama Raju Chitrapu

M.Sc., (Psy) LLM, Ph.D., (NALSAR), Dean, School of Law & Justice

Prof (Dr) Kama Raju Chitrapu is a certified and trained legal professional with experience of 26 years in the field of clinical practice of law, legal education and IP enabled entrepreneurship with institutions like NALSAR University and Indian School of Business (ISB) Hyderabad, Thames Valley University Slough, UK, UNHCR, WIPO, DFID, DoPT, MSME and the Government of India.

With over 26 years of experience in teaching and inter-disciplinary clinical research and practice, he has served as the Dean for various private university law schools across the country.

The study of law will equip you with the ability of dealing with challenging issues, understanding human logic and analyzing real life cases along with logical clarity and a good grip over oral/written communication. Your success in this field will have a lot to do with your personality. Currently, law is one of the most dynamic and ever growing fields. Studying law at university, especially from ADAMAS University and NLUs will equip you with all the knowledge and skills necessary to become a world class lawyer and give you the opportunity to bring a huge difference to the lives of many.

Students Speak

Chetna Purohit
BA LLB (H) 2nd Year

“The School of Law & Justice prepares its students to appreciate the role of law from a regional, national, and international perspective. My knowledge of law was enriched by exploring new ideas under the guidance of Prof. Yagnik. I was forced to think out of the box. This was made possible by embracing my curiosity that helped me highlight my strengths.”
