

**Subhash Mukhopadhyay Centre for Stem Cell Biology and Regenerative Medicine
Adamas University, Kolkata**

Advertisement for faculty recruitment

Subhash Mukhopadhyay Centre for Stem Cell Biology and Regenerative Medicine (SMC-SCBRM) at Adamas University, Kolkata, invites application for **two (2) faculty positions** to fulfill immediate requirements from those having PhD as well as postdoctoral experience, preferably from abroad, in any area of biological sciences. Preference will be given either to those with valid re-entry fellowship (Ramalingaswami Fellowship/Ramanujan Fellowship) tenure or with expertise in any aspects of stem cell and reproductive biology or both.

SMC-SCBRM is a newly established start-of-the-art research facility embedded in Adamas University, Kolkata, is the first of its kind research unit in eastern India that has both Institutional Ethics (IEC) and Institutional Committee for Stem Cell Research (IC-SCR) registered with the Department of Health Research (DHR), under Ministry of Health & Family Welfare, Government of India, for conducting biomedical research involving human stem cells, besides approval to access human embryonic stem cell lines by the Stem Cell Steering Committee of the Department of Biotechnology (DBT) under Government of India.

Potential applicants should email a brief statement of purpose (1page) along with their CV containing the list of their publications along with the names, and the contact details of 3 referees to Dr. Maharshi Krishna Deb (maharshi.deb@adamasuniversity.ac.in). Applications will be accepted till **15th April 2025**.
